Summary:

Total Number of Trees	434
Total Number of Trees identified with a Number	418
Total trees to be removed:	104
54 Trees to be removed due to poor health	54
Balance of Tree Removed for other reasons	50
26 Trees proposed to be removed due to conflict with building footprint (there are actually 31 that conflict with building footprint, but 5 of these fall under the poor health category above)	26
17 Trees to be removed due to: 9 - are road way conflicts and 8 - are landscaping conflicts	17
7 Additional trees to be removed due to possible other conflicts	7
