

MEDIA RELEASE

Niagara-on-the-Lake Community Centre to Host Open House

For Immediate Release

June 15, 2022

On Thursday, June 30, from 11:00 a.m. to 2:00 p.m., the Niagara-on-the-Lake Community Centre (14 Anderson Lane) is hosting a free Open House.

This is made possible by a grant received from ParticipACTION, for residents to come explore activities that take place at Town facilities.

In addition to vendor booths promoting programs/activities, there will be a bouncy castle for children, onsite instructors giving free lawn bowling lessons, door prizes, community goodie bags for the first 50 guests, free use of the Community Centre fitness gym all day, and special programming at the Niagara-on-the-Lake Library.

"This event is a wonderful way to engage residents in learning more about the recreational activities and programs the Town has to offer," stated Lord Mayor Betty Disero. "Niagara-on-the-Lake has such a vibrant, active community who loves to get involved in all different kinds of programming. Come out and find what interests you, your friends, and your family!"

Program coordinators, who host a recreational program or activity at one of the Town's facilities, can register to promote their program/activity at a vendor booth by emailing bookings@notl.com or calling 905-468-4386. Tables and chairs will be provided.

"The Community Centre Open House will be the perfect opportunity for both long-standing and new residents to discover more about Niagara-on-the-Lake programming," stated CAO Marnie Cluckie. "The Town is so fortunate to have a robust Recreation department and we hope that you can join us on June 30!"

Thank you to ParticipACTION, for their efforts in promoting healthy living and physical fitness in Niagara-on-the-Lake and beyond!
