

PUBLIC NOTICE

JAPANESE KNOTWEED SPRAYING

WHERE? Nassau Street between William Street and Hampton Court

WHEN? Wednesday July 27th.

COMMUNICATION: This Wednesday, we will be suppressing Japanese Knotweed, an invasive species, on the Town of Niagara-on-the-Lake property, specifically along Nassau Street. The application will take place in the morning, and the area will need to remain vacant for a minimum of 24 hours. The application will target Japanese Knotweed specifically, however, other small understory plants may be affected. This spray is not applicable to any private property, or personal belongings and it is anticipated that there will be no impact to private property upon completing the application

CONTACT: If you have any questions, contact Casey Sharpe, Supervisor of Road, at 905-468-3266.
