Institutional voting will take place at all Niagara-on-the-Lake long-term care homes today and is only open to residents of such homes. To find out when voting is available at a specific long-term care home, please speak with your home's programming coordinator.

When voting, electors are encouraged to bring their Voter Card and/or a government-issued piece of ID with their municipal address. Those who did not receive a Voter Card or have a Voter Card error can still vote. Changes to Voter Cards can be made at any polling location today.

For those seeking transportation assistance to vote, NRT OnDemand Transit rides are free today for anyone travelling to and from a polling location. To arrange a ride, please call 1-855-521-1088 or download the OnDemand App. For more information on booking a ride, please visit <https://niagararegion.ca/transit/on-demand/booking.aspx>.

The Community Centre auditorium will be open after 8:00 p.m., when polls are closed, to allow the public to view the live results of the Election. Since the Community Centre auditorium is a polling location, the Town is unable to provide access to the auditorium

earlier than 8:00 p.m. and kindly requests that the public does not arrive earlier than this.

Residents can view the unverified election results on the website (www.notl.com) after the polls close and the results are received. The official results of the Election will be declared as soon as possible after Election Day.

Niagara-on-the-Lake saw 2,809 of its 16,102 eligible voters cast their vote during Advance Polls. Keep up the great work Niagara-on-the-Lake, and get out and vote today!
