What is this?

Applications have been received for an Official Plan Amendment and Zoning By-law Amendment to permit an apartment building containing 41 residential units with a height of 18 metres on the subject lands. The Official Plan Amendment proposes a “Medium Density Residential” designation with site-specific exemptions to permit increased density and height to accommodate the development. The Zoning By-law Amendment proposes to rezone the subject lands to “Residential Multiple (RM1) Zone” with site-specific provisions related to building height, children’s play area, surface patio projections as well as front yard and rear yard setbacks for an underground parking structure.
