

## TOWN STATEMENT

# Niagara-on-the-Lake Fire & Emergency Services Implements Burn Ban

**For Immediate Release**

**June 8, 2023**

Due to the current dry conditions and air quality concerns, an open-air burning ban is in effect in Niagara-on-the-Lake until further notice on all open-air burning, including cooking fires (with the exception of barbeques and other gas appliances), consumer and display-type fireworks and all other types of outdoor burning.

Failure to comply may result in charges under the Ontario Fire Code and/or user fee charges for Fire Department response.

The Town will notify the public when the burn ban is lifted via the Town's website and social media channels.
