A MESSAGE FROM LORD MAYOR ZALEPA

On behalf of Town Council and Staff, I am pleased to present the Spring/Summer 2024 Community Guide.

I hope that this Community Guide will serve as your go-to resource for staying informed on all the events and happenings in Niagara-on-the-Lake this spring and summer. The guide provides information on Town public services, facilities and parks, recreational programs, arts, culture and so much more! It is a key to unlocking all that the Town has to offer. Please take advantage of this guide to mark important dates and stay up-to-date on the many fun things going on in our community.

Our Recreation Staff has been working hard to add exciting new programming for residents of all ages. To explore our programs and register, please visit the Town's website at www.notl.com/recreation-events/programs-activities. We have made sure to enhance our offerings, ensuring that there is something for everyone.

For our new residents, we extend a warm welcome and invite you to pick up your New Resident Welcome Package at Town Hall (1593 Four Mile Creek Road, Virgil). It contains valuable information about our Town, local services, and a few surprises to help you settle into the community. For more information about this package and becoming a Niagara-on-the-Lake resident, please visit www.notl.com/new-resident.

As we move into the spring and summer seasons, I hope that you have the opportunity to take advantage of all the Town has to offer and create lasting memories right here in Niagara-on-the-Lake. To stay informed about all upcoming meetings and events, please visit the Town's website at www.notl.com.

On behalf of Town Council and Staff, I wish you a fantastic spring and summer season!

Yours Sincerely,

Gary Zalepa
Lord Mayor

What is a Closed Session?

You have most likely heard the term “closed session” used regarding Town Council. What exactly is a closed session?

In Ontario, Councils of a municipality can only convene in closed sessions (private meetings) for specific reasons outlined in Section 239 of the *Municipal Act*, 2001. These reasons typically include:

- Personal matters
- Litigation or potential litigation
- Advice subject to solicitor-client privilege
- Negotiations
- Matters that could reveal confidential information

The purpose of closed sessions is to allow Councils to discuss sensitive matters that require privacy and confidentiality while still ensuring transparency and accountability in the decision-making process. Council typically cannot vote within a closed session unless to direct Staff. Any motions discussed in a closed session are forwarded and voted on in an open session.

Deliberations within closed sessions must remain on-topic and cannot be shared outside the meeting. Closed sessions are only convened as allowed by the *Municipal Act*.

Council's Strategic Plan is a roadmap for success, designed to guide decision-making and investments for this term of Council, ensuring decisions made today set the course for the community's desired future. Council's Strategic Plan acts as a guiding roadmap, defining measurable goals and priorities that will shape the future of Niagara-on-the-Lake.

PUBLIC SERVICES

BY-LAW

Municipal By-laws are enforced to regulate many areas of the community, affecting health, safety and the enjoyment of property. The By-law Department's responsibilities are parking enforcement, short term rental licensing and enforcement, private tree protection, property standards, and many more listed on the Town's website. By-law Staff are committed to working with residents and public members to address concerns and make positive, continuous improvements that benefit the community.

To report a By-law concern, please submit a Service Delivery Request form at www.notl.com/service-request-webform.

CEMETERY SERVICES

Lakeshore Cemetery – 1483 Lakeshore Road, Niagara-on-the-Lake

All administrative functions of the cemetery are managed onsite. This includes transactions such as lot purchases, headstones, markers, tree and bench dedications for the cemetery grounds, interments, cremation scatterings, and record and lot availability inquiries. Please make an appointment prior to your visit.

The Town has an online burial site and marker lookup tool, a mapping application designed to help users search for loved one's locations and burial plots within the Niagara Lakeshore Cemetery. Visit www.notl.com to access the map. Should you have any questions, concerns, or require assistance, please contact David Voogt, Cemetery and Grounds Specialist, by email at david.voogt@notl.com or phone at 905-468-2747.

DEVELOPMENT

The purpose of land use planning is to manage land and resources so that residents have a safe and healthy environment to live in, access to housing, options to get where they need to go, and spaces to meet, gather, work, and play.

The responsibility for planning in Ontario is shared between the province and municipalities. The province sets the ground rules and directions for land use planning through the *Planning Act* and the Provincial Policy Statement (PPS). In Niagara-on-the-Lake, area-specific provincial plans, including the Greenbelt Plan, Niagara Escarpment Plan and Growth Plan for the Greater Golden Horseshoe and the Niagara Official Plan, work together with the PPS to manage growth and protect agricultural land and the natural environment.

The Town is responsible for implementing the provincial and regional land use planning policy framework through the Town's Official Plan and Zoning By-law. Through Council and/or the Committee of Adjustment, the Town is also responsible for making land use planning decisions to achieve the community's economic, social and environmental objectives. Municipal decisions on development applications must be consistent with the PPS and conform to provincial plans, allow for municipalities to be given some flexibility in deciding how to best achieve provincial policy direction.

Citizen input on development applications is an important part of the planning process. As such, Town Staff encourage public comment on planning matters. All comments received are considered in the review of development applications. Public notices and information on current development applications and appeals can be found on the Town's website at www.notl.com/business-development. For more information on Town planning matters and processes, please visit the Planning Services webpage at www.notl.com/business-development/planning-services.

THE PLANNING ACT

The Planning Act requires Council and Committee decisions to be consistent with provincial policy statements, conform with provincial plans and policies in effect, and uphold provincial interests.

PLANNING STAFF

Town Planning Staff are accredited professional planners with education and experience who balance policy directions and objectives, and resident input and feedback to provide recommendations in the public interest.

CODE OF PRACTICE

Planners are required to follow a national and provincial Professional Code of Practice, Ethics and Conduct, and practice in an ethical and responsible manner.

TYPICAL PLANNING PROCESS

Applicant meets with Town Staff for a Pre-Consultation Meeting

Applicant submits complete Planning Act application

Planner circulates application for review to Town Staff, Agencies and the Public

Reviewers provide comments back to the Planner

Public Meeting held to gather feedback from the public

Potential changes made to the application by the Applicant, as a result of review and feedback

Staff Report with recommendation provided to Planning Committee

Council may decide to approve, refuse or modify the application

The Application is subject to an appeal period. If no appeals are received, the decision of Council/Committee is final

PLANNING REVIEW

Planning review of all applications follows the policies and rules of Province, Region, and Town.

DECISION MAKING

When making a decision, Councillors and Committee Members consider all available information and Staff recommendations, while balancing policies to represent the community's best interest. It is important to consider the needs of both the current residents, as well as future generations, when building a community.

OFFICIAL PLAN

An Official Plan is a policy document that sets out a vision and goals for the future. It ensures that new growth and development considers a broad range of interests and perspectives.

PLEASE REMEMBER: Here in Niagara-on-the-Lake, we believe in fostering a welcoming and safe environment for our customers and staff, and thank you for joining us in this effort by treating others with respect and dignity. Bullying, verbal abuse, discrimination or any threat of violence will not be tolerated.

PUBLIC SERVICES

DONATIONS

Niagara-on-the-Lake is known for many wonderful things, and the generosity of its residents is certainly one of them! A big thank you to all those who contributed to our various fundraising initiatives in 2023, and we warmly welcome continued donations in 2024.

When making a donation, tax receipts will be issued for donations above \$25. Donations can be made online at www.notl.com or in person at the Town Administration Building (1593 Four Mile Creek Road, Virgil) via cash, debit or cheque (payable to the Town of Niagara-on-the-Lake).

The Town is currently accepting donations for:

- Heritage Trail Improvements
- Inclusivity Initiatives
- New St. Davids Pool
- Tree Fund

Thank you for making a positive impact our community.

PUBLIC SERVICES

FIRE & EMERGENCY SERVICES

NOTL FIRE & EMERGENCY SERVICES

The Niagara-on-the-Lake Fire & Emergency Services Department is a volunteer organization made up of 100 firefighters who work together to create an efficient and high-quality emergency service. With a dedication to prevention, education, and emergency response, Niagara-on-the-Lake Fire & Emergency Services' goal is to be high-performing, progressive, and visionary in the provision of emergency services within the community.

GREEN LIGHT AWARENESS

Beautiful sunny weather brings busy summer streets, making it very important to keep an eye out for the green light when driving throughout Town. When volunteer firefighters respond to an emergency, they first drive their personal vehicles to their respective fire stations before they can respond to the emergency in the fire trucks that we're all familiar with. A green light may appear in any type of vehicle at any time of the day or night. When you see a green light, please yield to the right and let the vehicle pass. The faster firefighters get to their stations, the faster they can get the fire trucks responding to the emergency scene. **Remember, when you see a green light, move to the right!**

ALARM ASSISTANCE PROGRAM

In November of 2023, the Niagara-on-the-Lake Fire and Emergency Services Community Risk Reduction (CRR) Division launched the Alarm Assistance Program (AAP). This free ongoing program is intended to assist Niagara-on-the-Lake homeowners aged 65 and over, and anyone with a disability or limited mobility, with smoke and carbon monoxide alarm safety in their homes. Since November, CRR members have visited and assisted over 50 homeowners, and encourage homeowners requiring assistance with their alarms to sign up for a visit. Residents can sign up online through the Town's website, or by calling the Town at 905-468-3266.

SMOKE & CARBON MONOXIDE ALARMS EXPIRE

All smoke and carbon monoxide alarms expire, regardless of the model or type. Smoke alarms have a lifespan of 10 years, and will have a date of manufacture or an expiration date indicated on either the side or the back of the device. If you cannot find a date, assume the device is older than 10 years and replace it. Stand-alone carbon monoxide alarms will expire after 5-7 years depending on the brand, and will also have a date of manufacture or an expiration date indicated on either the side or the back of the device. Expired smoke and CO alarms will not function as intended and must be replaced. These electronic devices operate around the clock, every day of the year, and eventually wear out. Don't wait; check yours today – it could save your life!

PUBLIC SERVICES

FIRE & EMERGENCY SERVICES

SMOKE & CARBON MONOXIDE ALARM MAINTENANCE

In Ontario, working smoke alarms are required by law on every level of your home and outside sleeping areas. Carbon monoxide alarms are required on every level of your home that has a bedroom or where someone sleeps, outside of sleeping areas. Have a look at the maintenance tips below to make sure your home is protected.

- Confirm that none of your alarms are expired by looking at the date on the back or side of the device. If an alarm is expired, replace it!
- Make sure your alarms function properly by pressing the “Test” button on all of them at least once a month.
- Familiarize yourself with the alarms’ sounds and signals by referring to the manufacturer’s instructions, checking the information on the back of the device, or listening to the different alarm sounds when you test the device.
- Change the batteries in every alarm at least twice a year.
- If your alarms are hardwired, replace the battery backups in every alarm at least twice a year to ensure operation during power outages.
- Keep your smoke alarms clean. You can gently vacuum them to ensure they can accurately sense smoke.

Taking these precautions can make a significant difference in the safety of you and your loved ones. If you are unable to check and test your alarms yourself, please see the Alarm Assistance Program section on page 14 for more information.

OPEN-AIR BURNING/BACKYARD CAMPFIRES

In Niagara-on-the-Lake, open-air burns are only permitted for farmers to burn off their agricultural waste in rural areas of Town. These farmers must apply for permission annually on the Town’s website and follow the provided guidelines. Open-air burning is not permitted in urban areas of Town. Burning garbage or construction waste is not permitted at any time and is subject to cost recovery fees for the Fire Department’s response. Residents with yard waste are encouraged to bundle their yard waste and place it at the road for disposal with their household waste and recycling free of charge. Niagara-on-the-Lake residents who wish to have a backyard fire are encouraged to purchase a listed, natural gas or propane fire pit or table as these devices do not give off the undesirable smoke and embers that a wood-burning fire pit produces.

Did You Know? | Residents can purchase Parking Permits for NOTL’s Heritage District. Learn more on page 22.

PUBLIC SERVICES

GARBAGE & RECYCLING

Effective January 1, 2024, Circular Materials will take over the delivery of residential Blue / Grey Box recycling collection services currently administered by Niagara Region.

Quick Facts:

- Curbside recycling collection services will remain unchanged until December 31, 2025, except for books, which will no longer be accepted. There will be no change to the collection day or frequency (weekly).
- Niagara Region will continue to manage residential curbside garbage collection, including large household items, organics (Green Bin), and leaf and yard waste.
- The new Blue Box regulation does not cover industrial, commercial, and some institutional (IC&I) establishments, so Niagara Region will continue providing Blue and Grey Box recycling collection services until December 31, 2025.

Where can I buy/replace my blue/grey bins?

Starting January 1, 2024, residents can contact Miller Waste Systems, Niagara-on-the-Lake's new collection contractor, to order new blue/grey bins. Miller Waste Systems will deliver them directly to your home!

- For recycling information, please contact Miller Waste Systems: 1-833-621-0726 or area19@millerwaste.ca
- Residents can continue picking up green bins only at Town Hall (1593 Four Mile Creek Road, Virgil). Business owners who show a receipt of bins purchased from the Niagara Region can pick up blue/grey and green bins at Town Hall.

For more information, please visit the Niagara Region's website:
www.niagararegion.ca/projects/blue-box-transition/default.aspx

KNOW YOUR RATE OPTIONS

As a residential customer, you have 3 Regulated Price Plans (RPP) to choose from. The following is an overview of your RPP options as of Spring 2024.

TOU

TIME-OF-USE
87.2% of NOTL Accounts

Time-of-use (TOU) is the **default** price plan for residential accounts. There are three TOU price periods: On-peak, Mid-peak, and Off-peak. TOU price period times change twice a year in summer (May 1 to October 31) and in winter (November 1 to April 30).

The electricity you use from 7 p.m. to 7 a.m. every day, and all day on weekends and holidays, is the lowest TOU price all year round. With TOU pricing, you can help manage your electricity costs by shifting your usage to lower price periods when possible.

RATES

Effective Nov 1, 2023

On-Peak - 18.2¢ /kWh

Mid-Peak - 12.2¢ /kWh

Off-Peak - 8.7¢ /kWh

TIME PERIODS

(Starting May 1)

TIERED

TIERED RATES
11.9% of NOTL Accounts

Under Tiered Pricing, you can use a certain amount of electricity each month at a lower price. Once that limit (threshold) is exceeded, a higher price applies.

The monthly Tier threshold for residential customers changes twice a year: 600 kWh during the summer period (May 1 to October 31); 1,000 kWh during the winter period (November 1 to April 30).

If you typically use less than 600 kWh per month in the summer months, or less than 1,000 kWh in Winter months, then you might save the most on Tiered Price Plan. As a bonus, you won't need to adjust your habits such as doing laundry at night.

Tier 1 - 10.3¢ /kWh

Tier 2 - 12.5¢ /kWh

Tier 1 (Nov 1 to April 30 = first 1,000 kWh,
May 1 to Oct 31 = first 600 kWh)

ULO

ULTRA-LOW OVERNIGHT
0.2% of NOTL Accounts

With the Ultra-Low Overnight (ULO) price plan, there are four price periods: On-peak, Mid-peak, Weekend Off-peak, and Ultra-Low Overnight.

The Ultra-Low Overnight period is between 11:00 p.m. to 7:00 a.m. every day, when demand for electricity is lowest on average. There is a higher On-peak price for consumption between 4:00 p.m. to 9:00 p.m. on weekdays, when demand is usually higher.

The ULO price periods are the same all year round. You can help manage your electricity costs by shifting high usage activities, like electric vehicle charging, to lower price periods when possible.

On-Peak - 28.6¢ /kWh

Mid-Peak - 12.2¢ /kWh

Weekend Off-Peak - 8.7¢ /kWh

Ultra-Low Overnight - 2.8¢ /kWh

HOW DO I CHANGE MY RATE?

Changing your rate is simple. Visit our website and complete an easy web form to make your switch. Paper forms are also available at our office at 8 Henegan Road (Virgil). If you think you'll save with Tiered in the winter and TOU in the summer, submit a change request. You can switch once per bill cycle.

PUBLIC SERVICES

LICENSES & PERMITS

BUILDING

A building permit is required for the following activities:

- Buildings greater than 108 square feet

DOGS

Niagara-on-the-Lake dog owners are required to register and vaccinate their dogs against rabies. Licenses, now in partnership with DocuPet, are valid for a full 365 days after the date of purchase. Residents must obtain a current year's license within 14 days of acquiring or moving a dog into Niagara-on-the-Lake. Registration includes a unique license tag, which serves as an official license and offers the HomeSafe™ 24/7 lost pet service. Purchase pet licenses online at notl.docupet.com.

EVENTS

A Special Event is an event which may occupy all or part of Town owned property or may result in the disruption of the local flow of traffic. A special event may be defined as, but not limited to, a parade, festival, filming, race, procession, and/or any other activity that may include the following component(s):

- Street closure(s)
- Fireworks or pyrotechnics
- Live entertainment
- Temporary structures/tents
- Service of food or alcohol

- Large volumes of vehicular or pedestrian traffic
- In order to hold a Special Event within the Town, please complete and submit a Special Event Application Form found at www.notl.com/recreation-events/special-events. For more information on events, please email specialevents@notl.com or call 905-468-3266.

GAMING

The Alcohol Gaming Commission of Ontario (AGCO) is responsible for regulating and overseeing licensed lottery events (such as bingo, raffles and the sale of break open tickets) conducted by eligible charitable and religious organizations to raise funds to support charitable purposes. As part of the AGCO's regulatory responsibilities in the charitable sector, the AGCO administers, in partnership with municipalities, the regulatory framework governing the issuance of charitable lottery licences. For more information visit www.notl.com or www.agco.on.ca or call 905-468-3266.

HERITAGE

A Heritage Permit is required when the owner of a designated property wants to alter the exterior of a building designated under Part V or the designated portions of a building designated under Part IV of the Ontario Heritage Act. For more information regarding the Town's heritage resources, contact the Town's Heritage Planner at heritage@notl.com or visit www.notl.com/heritage-planning.

SHORT TERM RENTAL

All Short Term Rentals (including B&Bs, Cottages, Inns, etc.) within the Town of Niagara-on-the-Lake must be licensed in order to operate. Please note that a Renewal Application must be submitted every four years to maintain an active license. You must hold a valid Short Term Rental License to operate. For more information, please visit www.notl.com/business-development/short-term-rentals.

PLANNING TO DIG?

Building a fence, putting in a pool, planting a tree, or any other small digging project? Request a locate from Ontario One Call if you plan to dig in your yard. It is important to contact Ontario One Call so you can dig safely. Visit ontarioonecall.ca or call 1-800-400-2255 before you dig.

PARKING

PARKING IN NIAGARA-ON-THE-LAKE

Are you looking for a place to park while shopping, dining and enjoying Niagara-on-the-Lake? The online, user-friendly, interactive Paid Parking Map can assist with locating paid parking areas and meters throughout the Town's Heritage District. Scan the QR code below to access the map.

Parking in the Heritage District can be paid for using coins at the parking machines or credit card using Honk Mobile.

Scan the QR code to view
the NOTL Paid Parking Map
at www.notl.com.

HONK MOBILE FAQ

What payment methods does Honk Mobile accept?

Honk Mobile accepts VISA, Mastercard, American Express, Visa Debit, Masterpass, or PayPal accounts to pay for parking. Please note the app is free to download, with a convenience fee of \$0.25 per transaction.

How do I print a payment slip to be placed on my dashboard?

A payment slip is not required. The online system provides Town Parking Enforcement Officers with a real-time list of license plates belonging to people who have paid using the Honk Mobile App.

Will I be notified if my session is about to expire?

The Honk Mobile App will send a text message 15 minutes before parking is about to expire. Users can easily extend a session directly from their phones.

Download the Honk Mobile App
to pay for parking using Visa,
Visa Debit, Mastercard, American
Express, Masterpass or PayPal.

RESIDENT PARKING PERMITS

Resident Parking Permits are available exclusively to residents of Niagara-on-the-Lake. These parking permits entitle the permit holder to three hours of free parking at any parking meter/pay and display parking space or lot in the Heritage District. They can be purchased for \$30.00 online at www.notl.com or by visiting the Town of Niagara-on-the-Lake Administration Building at 1593 Four Mile Creek Road in Virgil. Valid identification is required as proof of address to obtain a permit. Permits are valid for the vehicle identified by license plate number and are non-transferable. They are valid from January 1 to December 31 of each calendar year.

ACCESSIBLE PARKING

Accessible parking spaces are located throughout the Town on the street and in municipal parking lots. All vehicles parking in an accessible zone must display a valid Accessible Parking Permit on their dashboard and are not required to pay for parking. The fine for parking in an accessible space without a valid permit displayed is \$400.00.

FRIENDLY PARKING REMINDERS

- Please do not block driveways or sidewalks.
- Pay close attention to posted signs limiting or restricting parking.
- Parking your vehicle within 10 metres of an intersection or 3 metres of a fire hydrant is not allowed.
- You may not park in one spot for longer than 12 hours at one time.

For more information about parking, please visit www.notl.com/town-services/parking.

PUBLIC SERVICES

The Department also provides fire protection, rescue, medical and life support services in sudden emergencies created by man and nature.

OPERATIONS

The Operations Department consists of the Parks & Recreation and Public Works divisions. They are responsible for:

- Town buildings and arenas
- Town parks and sports fields
- Water and sewers
- Roads (street, sidewalks, lighting, snow ploughing)

PUBLIC SERVICES

TRANSIT

Niagara Region Transit offers OnDemand transit and specialized transit to Niagara-on-the-Lake residents, businesses and visitors. OnDemand transit is a ridesharing service that lets riders request trips in real-time through a mobile app or over the phone by selecting a pickup point and destination.

Niagara Region Transit can transport riders in Niagara-on-the-Lake to:

- A different location within the Niagara-on-the-Lake boundaries
- A designated service area located across Niagara
- A designated transit hub located in Port Colborne, St. Catharines or Welland

Plan your trip, pay online or even book a ride using the NRT OnDemand mobile app.

Visit the Niagara Region Transit website at www.nrtransit.ca for more information or call 1-833-678-5463.

TREES

REMOVING TREES ON PRIVATE PROPERTIES

If you live in one of the five urban areas, you might require a permit to remove a tree. This requirement applies to dead trees as well. More information regarding the requirements and the permit process can be found at www.notl.com/town-services/environmental-stewardship/trees or by contacting the By-law Division at 905-468-3266 ext. 379.

TREE FUND

The Niagara-on-the-Lake Tree Fund has been established to assist with greening the community. This fund, administered by the Town, provides an opportunity for individuals to donate towards the planting of trees. Please see the Town's website at www.notl.com/town-services/environmental-stewardship/trees for details or call 905-468-3266.

VOLUNTEER

VOLUNTEER TALENT BANK

Interested in volunteering or looking for volunteers? Look no further! The Town has an online Volunteer Talent Bank available at www.notl.com/recreation-events/volunteer-talent-bank.

WATER & WASTEWATER

The Town of Niagara-on-the-Lake owns and operates two separate drinking water distribution systems which are the Niagara-on-the-Lake drinking water system (Niagara-on-the-Lake DWS) and the Bevan Heights drinking water system (Bevan Heights DWS). The Town maintains responsibility for water distribution only; the facilities for water treatment and storage are owned and managed by the Niagara Region. The two drinking water systems distribute treated drinking water within a service area of approximately 12,600 hectares. The service area is bounded by Lake Ontario, the Niagara River, the City of Niagara Falls and the City of St. Catharines.

SAMPLE STATIONS

Curious what those green objects are that stand alone and look like green parking meters? They are water sample stations! These stations allow the Town to test the quality of the water we drink, as they provide a direct line to the watermain. These stations enhance the Town's ability to test a wider area of the Town's water supply. With 15 stations already within the system, the Town can help ensure the water residents are drinking meets and exceeds Ministry Legislation where possible. The water system that the Town has is one of the best in the country and with the wider array of testing, Staff can stay on top of any issues that may arise.

HANGING BASKETS & PLANTERS

Niagara-on-the-Lake's hanging basket program has been a source of pride for the community since the 1970s. The program, initiated by the Parks Division, has been instrumental in beautifying the Town. Throughout the Town, you will see:

Over 230 Hanging Baskets

The program's success has resulted from Staff's innovative approach to planting, which involves utilizing sphagnum moss instead of soil in the baskets, and attaching saucers to the base of the baskets. The moss, sourced from New Zealand, draws moisture from the saucer, ensuring consistent moisture levels, which in turn leads to fewer disease and insect problems. The saucer also serves to retain water which reduces the frequency of watering required.

The hanging baskets and their unique and innovative approach to beautification have become integral to Niagara-on-the-Lake's identity, admired by all who live, work and visit the Town.

In addition to hanging baskets, Niagara-on-the-Lake boasts:

130 Planters & Barrels

90 Annual & Tropical Display Beds

Check out these beautiful flower arrangements when you are in the community from May through October each year!

A special thank you to the Town's Parks Staff for their exceptional efforts and dedication to creating and maintaining all the hanging baskets, gardens and flowers in Niagara-on-the-Lake.

YOUTH & FAMILY PROGRAMMING

The Town is excited to host new programming opportunities for families, youth, and children in Niagara-on-the-Lake! The Town is trialing new programs catering to different age groups to gather feedback and insights to shape future recreation programming. Have feedback about local family and youth programming? Staff would love to hear it! Please email programs@notl.com to provide your feedback.

TRY-IT NOTL

When: Friday Evenings (Spring Session)

Youth (ages 6+) & Family: 6:00 - 7:00 p.m.

Teens & Tweens (ages 12 - 18): 7:00 - 8:30 p.m.

Where: Community Centre, 14 Anderson Lane, NOTL

Try-It NOTL is a registration-based weekly drop in program on Friday evenings at the Niagara-on-the-Lake Community Centre. Each week offers a new activity. Be sure to read the description of each week as some sessions are self-guided and some instructor facilitated. For the self-guided sessions, all program equipment is supplied for you to create your own games with friends and family, and work on your skills!

sportball

When: Wednesday Evenings

Where:

Spring - Community Centre, 14 Anderson Lane, NOTL

Summer - Memorial Park, 370 King Street, NOTL

Sportball provides non-competitive sports instruction for children 16 months to 10 years. It helps kids develop physical literacy and a life-long love of movement and sport by placing emphasis on competence and confidence building, socialization and fun over winning.

MINI, MIGHTY, & MAJOR MOVERS

When: Saturday Mornings (Spring Session)

Mini Movers (ages 2 - 3): 9:15 - 10:00 a.m.

Mighty Movers (ages 4 - 5): 10:00 - 10:45 a.m.

Major Movers (ages 6 - 8): 10:45 - 11:30 a.m.

Where: Community Centre, 14 Anderson Lane, NOTL

The Movers program offers an inclusive, fun, and safe environment for you and your children to enhance gross-motor skills and sensory organizational skills by walking, running, climbing, jumping, and exploring equipment. The open room setting allows for interaction with other children with opportunities for structured, and unstructured play. Each program will consist of 30 minutes of instructor lead games and activities, followed by 15 minutes of unstructured play and exploration.
