Phase 2 Reconstruction of the Heritage Trail Rehabilitation Project Line 1 to Line 2 Road

WHAT: Town Staff are completing the construction of Phase 2 of the Heritage Trail Rehabilitation Project, beginning at Line 1 Road to Line 2 Road.

Please note that this specific stretch of the trail will be temporarily closed as crews construct a 3-meter pathway consisting of $\frac{3}{4}$ crushed concrete and $\frac{1}{4}$ chip limestone screenings.

No road closures are taking place during construction.

WHEN: The work is set to begin on Monday, June 3, 2024, and is estimated to take approximately four weeks (weather-dependent).

CONTACT: If you have any questions about this project, please contact Kevin Turcotte, Manager of Parks and Recreation, at kevin.turcotte@notl.com or 905-468-3266 ext. 263.

COMMUNICATION: This work is being communicated to the public via a public notice posted on the Town's website and shared on social media. On-site signage will be placed on the Heritage Trail.

Thank you for your patience and cooperation.
