

By-laws in the Heritage Conservation District

Discover how together we can preserve the unique charm, vibrancy and historic character of the Queen-Picton Heritage Conservation District!

Did You Know?

- Queen-Picton Heritage Conservation District was approved by Council in 1986.
- Several by-laws and processes protect its historic character.
- Compliance ensures consistent management of change within the District.
- Visual integrity of the streetscape is preserved.
- Heritage tourism boosts local businesses.

Alterations

Properties located within the boundaries of the Heritage Conservation District are protected under Part V of the Ontario Heritage Act.

This means any proposed alterations, whether to the property in general or the exterior of existing buildings require the consent of Council and a heritage permit. Alterations in the Heritage Conservation District are guided by the Queen-Picton Heritage Conservation District Plan (District Plan).

Sign Requirements

- Heritage permit
- Sign Permit

Permitted Sign Location

- Lower Facade
- Awning

Signs Not permitted

- Mobile Signs
