### Tree Appeal Hearing:

A Tree Appeal Hearing took place to discuss trees located at 7 Plantation Drive, 105 Tanbark Road, 1 Mulberry Lane, 15 Shakespeare Avenue, 14467 Niagara River Parkway and 14390 Niagara River Parkway.

### Closed Session:

Council entered a Closed Session under Section 239(2)(f) of the *Municipal Act* to receive solicitor-client privileged advice regarding properties at 144 & 176 John Street East, 200 John Street, and 588 Charlotte Street, and under Section 239 (2)(e) to discuss litigation or potential litigation affecting the municipality, including claims against it.

In Ontario, Councils of a municipality can only meet in Closed Sessions (private meetings) for specific reasons outlined in Section 239 of the *Municipal Act*, 2001. These reasons typically include:

- Personal matters
- Litigation or potential litigation
- Advice subject to solicitor-client privilege
- Negotiations
- Matters that could reveal confidential information

The purpose of Closed Sessions is to allow Councils to discuss sensitive matters that require privacy and confidentiality while still ensuring transparency and accountability in the decision-making process. Council typically cannot vote within a Closed Session

unless to direct Staff. Deliberations within Closed Sessions must remain on-topic and cannot be shared outside the meeting. Closed Sessions are only convened as allowed by the *Municipal Act*, and any motions discussed in a Closed Session are forwarded and voted on in an open session.
