## What is this?

Town Council for Niagara-on-the-Lake has considered written and oral submissions and approved a Zoning By-law Amendment on the subject lands (see the location map) as follows.

### Zoning By-law 500YP-25

The By-law amends the existing “Rural (A) – Site Specific Zone” by expanding the permitted uses to include a “Respite Care Facility” and “Adult Day Program” and implementing definitions for these uses. The By-law also rezones a portion of the subject lands from “Rural

(A) Site Specific Zone” to “Open Space (OS-SS) Site Specific Zone” to protect the existing natural environment features and associated buffer lands by prohibiting any type of development. The only uses permitted within the “Open Space (OS-SS) Site Specific Zone” include a conservation area including flood control and other hazard area uses, passive recreational uses, and existing accessory uses, buildings and structures. The amendment also provides site-specific provisions for lot area, lot frontage, interior side yard setback, front yard setback, and parking requirements.
