Former Hospital Site (176 Wellington Street) Community Engagement Launches

For Immediate Release

July 7, 2025

The Town, along with its consultant NPG Planning Solutions, has launched a survey, ideas board and mapping tool as a first step in conducting community engagement to determine the future use of the Former Hospital Site (176 Wellington Street, Old Town).

The goal of this project's engagement is to gather feedback on what current and future community needs, priorities, or aspirations could be served by this space and how the transformation should reflect community values.

The details of the survey, ideas board and mapping tool can be found below:

- **Link:** <http://www.jointheconversationnotl.org/former-hospital-site>
- **Completion Date:** By Friday, August 1, 2025
- **Registration:** Not required. This survey, ideas board and mapping tool are open to everyone.

This is the first phase in the engagement process, with further opportunities including:

- Interactive community mapping
- Targeted small-group workshops
- Community walks and conversations
- In-person Public Information Centres (PICs)

Take the survey, share an idea, use the mapping tool, and learn about forthcoming engagement opportunities at: www.jointheconversationnotl.org/former-hospital-site.
