What is this?

Applications have been received for an Official Plan Amendment and Zoning By-law Amendment on the subject lands (see location map).

The applications are proposed to facilitate the development of a five (5) on-street townhouse dwellings fronting Tanbark Road, and one (1) single-detached dwelling fronting York Road.

The Official Plan Amendment proposes to redesignate the subject lands from “Low Density Residential” to site-specific “Medium Established Residential” to permit the proposed density of the development.

The Zoning By-law Amendment proposes to rezone the Subject Lands from “Residential (R1) Zone” to a site-specific “Residential Multiple (RM1) Zone” to accommodate the proposed townhouse dwellings, and to a site-specific “Residential (R1) Zone” to accommodate the proposed single detached dwelling. Site-specific provisions are proposed for lot area, lot frontage, lot coverage, front, rear and exterior side yard setbacks, building height and garage width.
