A MESSAGE FROM LORD MAYOR ZALEPA

As we welcome the spring and summer season, I am pleased to share the 2026 Spring/Summer edition of the Niagara-on-the-Lake Community Guide!

This guide is intended to help residents make the most of the months ahead. Inside, you will find information on recreation programs, parks and facilities, public services, and community events, along with opportunities to stay active and connected to the Town you love.

One of the highlights of the season I look forward to each year is the Senior Citizen's Strawberry Social event, a Town tradition and a wonderful opportunity for our residents to come together in honour of Seniors Month in June. The afternoon is filled with food, conversation, and community. I encourage residents aged 65 and older to take part. Event details and registration information will be posted on the Town's website and social media channels in the spring.

To our new residents, welcome! I encourage you to visit Town Hall at 1593 Four Mile Creek Road, Virgil, to pick up your New Resident Welcome Package and learn more about Town services and programs.

For program registration, upcoming events, and Council and Committee meeting information, please visit www.notl.com.

I would also like to thank Town Staff and the many volunteers and community organizations, who help support the programs and events that residents enjoy throughout the year.

On behalf of Town Council, I wish you a safe and enjoyable spring and summer season.

Sincerely,

Gary Zalepa Lord Mayor

GENERAL NOTICE

The Niagara-on-the-Lake Community Guide is published bi-annually. The next edition of the Guide will be the 2026-2027 Fall/Winter edition, published in fall 2026. If your group or organization is interested in submitting information for the upcoming guide or you would like to advertise your business, please email communications@notl.com or visit www.notl.com/community-guide for more information.

Thank You, Niagara Pumphouse Arts Centre!

This guide's cover was created by Hannah Qiu, a young artist from the Niagara Pumphouse Arts Centre's Summer Art Camp. Campers submitted original artwork for the chance to be featured on the cover of the Town's Community Guide. Thank you to the Niagara Pumphouse Arts Centre and all the campers who participated.

2022-2027 STRATEGIC PLAN

Council's 2022-2027 Strategic Plan serves as a roadmap for success, guiding decision-making and investments throughout this term. It ensures that today's choices set the course for Niagara-on-the-Lake's desired future.

Strategic planning is the process of defining an organization's vision, mission, and priorities, along with actionable plans to achieve and evaluate its goals. The Strategic Plan, supported by the Implementation Plan and Indicators of Success document, provides a clear framework for the Town's initiatives and operational decisions. It aims to enhance community well-being by setting measurable goals and priorities.

Vision - Enriching and protecting our heritage, agriculture and natural beauty, while creating a resilient, vibrant and welcoming community for all.

Mission - To efficiently deliver a high standard of municipal services and dependable infrastructure to support the community and to take leadership in planning, decision-making and policy development to ensure a healthy and financially sustainable future.

TRACK PROGRESS ONLINE WITH OUR DASHBOARD

Stay updated on the Strategic Plan's progress through the Strategic Plan Dashboard, which provides key metrics and milestones for specific objectives and initiatives. The dashboard is updated bi-annually to provide insights to the public.

LEARN MORE ABOUT THE STRATEGIC PLAN

To learn more about the implementation of Council's Strategic Plan and view the dashboard, please visit the Town's website at www.notl.com/strategic-plan or scan the QR code.

PUBLIC SERVICES

BY-LAW ENFORCEMENT

Municipal by-laws are enforced to regulate many areas of the community affecting health, safety and the enjoyment of property. The By-law Division's responsibilities include parking enforcement, Short Term Rental licensing and enforcement, private tree protection, property standards, and more listed on the Town's website. By-law Staff are committed to working with residents and the public to address concerns and make positive, continuous improvements that benefit the community.

To report a by-law concern, please submit an online Service Request at www.notl.com/service-request-webform.

CEMETERY SERVICES

Lakeshore Cemetery – 1483 Lakeshore Road, Niagara-on-the-Lake | 905-468-2747

All administrative functions and transactions of the cemetery are managed onsite. This includes transactions such as lot purchases, columbarium niche sales, headstones, markers, tree and bench dedications for the cemetery grounds, interments, cremation scatterings, and record and lot availability inquiries. Please make an appointment prior to your visit.

The Town has an online burial site and marker lookup tool, a mapping application designed to help users search for loved one's locations and burial plots within the Niagara Lakeshore Cemetery. Visit www.notl.com/town-services/cemeteries to access the map. Should you have any questions, concerns, or require assistance, please contact David Voogt, Cemetery and Grounds Specialist, by email at david.voogt@notl.com or phone at 905-468-2747.

CLIMATE CHANGE

Niagara-on-the-Lake is taking meaningful action to address climate change through a range of mitigation and adaptation initiatives. The Town is developing greenhouse gas reduction plans through a Corporate Town Operations Plan and a Community Energy and Emissions Plan, aimed at lowering emissions across both municipal operations and the broader community. Work is also underway to manage invasive species, including targeted phragmites removal at impaired sites.

To strengthen climate resilience, the Town is expanding tree planting by identifying priority locations, selecting climate-appropriate species, and growing the urban forest canopy. An ongoing natural asset inventory is helping guide the long-term management of wetlands, forests, shorelines, and other natural features. The Town is also advancing watershed-based studies, such as the Four Mile Creek Subwatershed Study, to address flooding and erosion risks linked to climate change.

Residents are encouraged to follow the Town's Community Events Calendar for upcoming climate-related activities and opportunities. Interested in partnering on a climate event or project? Have a great idea or a potential tree-planting location in mind? We'd love to hear from you! Reach out to the Town's Climate Change Coordinator by emailing kassie.burns@notl.com or calling 905-468-3266 and help support local climate action.

DEVELOPMENT PLANNING

What is planning?

Land use planning plays an important role in shaping our community. The purpose of land use planning is to manage land and resources to create a safe, healthy and inviting place to live, work and play.

Who sets the rules?

In Ontario, the Province, Region, and the Town all work together to plan how communities grow. The Province makes the main rules through the *Planning Act* and the Provincial Planning Statement (PPS). These rules help protect the environment and make sure municipalities grow sustainably. In Niagara-on-the-Lake, our unique landscape is also protected by the Greenbelt Plan and the Niagara Escarpment Plan.

The Town must follow these provincial rules when creating and implementing its own plans, such as the Official Plan and Zoning By-law. These plans work together to guide development and support a healthy, thriving community. Decisions on local planning matters are made by Town Council or the Committee of Adjustment.

The Town celebrates and is defined by our extensive cultural heritage. The *Ontario Heritage Act* promotes the protection and conservation of cultural heritage assets. In Niagara-on-the-Lake, the Municipal Heritage Committee reviews Heritage Permit Applications and Heritage Designation By-laws, and gives advice to Council.

How can community members get involved?

Community input is an important part of the planning process. The Town encourages public engagement and feedback on planning matters. All comments received are considered in the review of planning applications. Community members can get involved in the planning process in a few ways: through attending and participating in Open Houses and Public Meetings and/or providing written comments. For more information on Town planning matters and processes, including information on current planning applications, please visit the Planning Services webpage at www.notl.com/planning or contact the Planning Services Team at 905-468-3266.

For nearly a century, Niagara District Airport has been a part of the Niagara-on-the-Lake community — serving as a flight training school during the Second World War and supporting aviation in Niagara ever since.

Today, the airport continues to serve local residents and businesses through executive and personal charter services, helicopter and fixed-wing sightseeing experiences, and ongoing flight training. It also supports search and rescue operations for the Canadian Armed Forces, Canadian Coast Guard, and Civil Air Rescue Emergency Service (CARES Niagara).

Niagara District Airport's 2025-2045 Master Plan presents a vision to grow the facility into a modern regional gateway. Introducing commercial service will provide local residents with a closer, more convenient option for travel across North America — including domestic, international, and popular sun destinations. While in the early stages, meaningful steps are underway to bring this vision to life.

The redevelopment project will bring new opportunities for Niagara — supporting long-term employment, strengthening the local economy, and helping grow our region's tourism sector. By building on its long-standing role in the community, Niagara District Airport can continue to contribute to steady, sustainable growth that benefits residents today and generations to come.

Stay connected with the airport!

Follow Niagara District Airport on social media and subscribe to their quarterly newsletter to stay informed on latest redevelopment project news and updates.

PUBLIC SERVICES

ECONOMIC DEVELOPMENT

The Town of Niagara-on-the-Lake supports the growth and vitality of its local business community by fostering a strong, resilient, and diversified economy. Strategically located with access to major transportation corridors, international markets, and a thriving tourism sector, Niagara-on-the-Lake offers a unique environment for economic success. The local economy is shaped by a rich cultural heritage, a strong agricultural base, and a dynamic mix of small businesses and tourism-driven enterprises.

The Town provides a range of services to support economic development, including assistance for local business growth, investment attraction and expansion, industry partnership development, and advocacy for strategic initiatives. These efforts contribute to making Niagara-on-the-Lake a premier destination for both business and leisure, and a hub of innovation, prosperity, and community spirit.

niagaraonthelakerotary.ca | info@niagaraonthelakerotary.ca

FIRE & EMERGENCY SERVICES

The Niagara-on-the-Lake Fire & Emergency Services Department is made up of seven administrative staff, 100 volunteer firefighters and 10 volunteer public educators who work together to create an efficient and high-quality emergency service. With a dedication to prevention, education, and emergency response, Niagara-on-the-Lake Fire & Emergency Services' goal is to be high-performing, progressive, and visionary in the provision of emergency services within the community.

GREEN LIGHT AWARENESS

Keep an eye out for the green light when driving in Niagara-on-the-Lake. When volunteer firefighters respond to an emergency, they first drive their personal vehicles to their respective fire stations before they can respond to the emergency in the fire trucks that we're all familiar with. A green light may appear in any type of vehicle at any time of the day or night. When you see a green light, please yield to the right and let the vehicle pass. The faster firefighters get to their stations, the faster they can get the fire trucks responding to the emergency scene.

SMOKE & CARBON MONOXIDE ALARMS EXPIRE

Many people don't realize that smoke and carbon monoxide (CO) alarms expire. Most smoke and smoke/CO combination alarms last 10 years, while stand-alone CO alarms expire in five to seven years, depending on the brand. Check the manufacturer or expiration date on the back or side of your alarm. If you can't find it and the alarm seems old, replace it. An expired alarm may not work properly, putting you at risk. Check yours today; it could save your life!

SMOKE & CARBON MONOXIDE ALARM MAINTENANCE

In Ontario, working smoke alarms are required by law on every level of your home, outside sleeping areas. Carbon monoxide alarms are required on every level of your home that has a bedroom or where someone sleeps, outside of sleeping areas. Have a look at the tips below to make sure your home is protected.

- Confirm that your alarms have not expired by looking at the date on the back or side of the device. If an alarm is expired, replace it.
- Make sure your alarms function properly by pressing the "Test" button at least once a month.
- Familiarize yourself with the alarms' sounds and signals by referring to the manufacturer's instructions, checking the information on the back of the device, or listening to the different alarm sounds when you test the device.
- Change the batteries in every alarm at least twice a year.
- If your alarms are hardwired, replace the battery backups in every alarm at least twice a year to ensure operation during power outages.
- Keep your smoke alarms clean by gently vacuuming them to ensure they can accurately sense smoke.

Taking these precautions can make a significant difference in you and your loved ones safety. If you are unable to check and test your alarms yourself, please visit www.notl.com/alarm-assistance-program to learn about the Town's Alarm Assistance Program.

FIRE & EMERGENCY SERVICES

OPEN-AIR BURNING & BACKYARD CAMPFIRES

In Niagara-on-the-Lake, open-air burns are only permitted for farmers to burn off their agricultural waste in rural areas of town who have applied for permission annually on the Town's website and are following the provided guidelines. Open-air burning is not permitted in urban areas of town. Burning garbage or construction waste is not permitted at any time and is subject to cost recovery fees for the Fire Department's response. Residents with yard waste are encouraged to bundle their yard waste and place it at the road for disposal with their household waste and recycling free of charge. Niagara-on-the-Lake residents who wish to have a backyard fire are encouraged to purchase a listed, natural gas or propane fire pit or table as these devices do not give off the undesirable smoke and embers that a wood-burning fire pit produces.

LITHIUM-ION BATTERY SAFETY

Lithium-ion battery fires are on the rise worldwide due to the increased use of batteries in everyday devices like phones, tablets, laptops, headphones, toys, and power or lawn equipment. If damaged or improperly used, these batteries can overheat, catch fire, or even explode. Knowing which devices in your home contain lithium-ion batteries and ensuring they have proper safety certifications is essential, as some products sold in stores or online may not meet safety standards, increasing fire risk.

When charging a device, it is important to ensure:

- Always use the cables that came with the product to charge it and follow the instructions from the manufacturer.
- If you need a new charger, buy one from the manufacturer or one that the manufacturer has approved.
- Charge your device on a hard surface. Don't charge it under a pillow, on a bed, or on a couch, as this could cause a fire.
- Don't overcharge your device. Unplug it or remove the battery when it's fully charged.

Recycling Batteries

- Don't throw lithium-ion batteries in the trash or regular recycling bins because they could catch fire.
- Recycling your device or battery at a safe battery recycling location is the best way to dispose of them. Visit www.call2recycle.org to find a recycling spot near you.

COMMUNITY RISK REDUCTION

For more information and fire prevention resources, please visit www.notl.com/community-risk-reduction or scan the QR code.

Significant rainfall can lead to extensive flooding, impacting municipal infrastructure, private residences, and public properties. Niagara-on-the-Lake residents may experience unexpected surges in water levels during heavy rainfall due to several factors, including blocked waterways, dry ground, changes to the natural drainage pathways, overflowing storm drains, etc.

PRE-RAINFALL PREPARATIONS

TOWN STAFF'S ACTION

- 1 Clear catch basins, inlets, and culverts.
- 2 Inspect storm ponds.
- 3 Conduct ditching operations to ensure effective water flow.

HERE IS HOW YOU CAN HELP

- 1 Regularly clear debris from catch basins, gutters, and downspouts.
- 2 Ensure that sump pumps are functioning correctly.
- 3 Have an emergency plan in place.

DURING EXTREME RAINFALL

TOWN STAFF'S ACTION

- 1 Check and clear problem areas.
- 2 Erect signage and close roads as necessary for public safety.
- 3 Monitor and assess areas while waiting for water levels to lower.

HERE IS HOW YOU CAN HELP

- 1 Ensure water is flowing away from your property.
- 2 Drive safely and avoid flooded areas.
- 3 Keep an eye on weather updates and advisories.

POST-STORM ACTIONS

TOWN STAFF'S ACTION

- 1 Repair roads and eroded shoulders, remove debris from ditches, catch basins and culverts as needed.
- 2 Communicate with residents who have submitted Service Requests related to flooding.

HERE IS HOW YOU CAN HELP

- 1 Clear debris to restore water flow.
- 2 Submit a Service Request to the Town to report issues or concerns regarding flooding and property drainage.

SUBMIT A SERVICE REQUEST

The Town encourages residents who experience flooding-related issues to submit an online Service Request. To submit a request, **scan the QR code** or visit www.notl.com/request-service-or-file-issue.

PUBLIC SERVICES

GARBAGE & RECYCLING

The Niagara Region manages residential curbside garbage collection, including large household items, organics (green bin), and leaf and yard waste. Circular Materials manages residential blue/grey box recycling.

Download the Niagara Region Waste App to:

- View your address specific calendar, including holiday changes to waste collection.
- Use the search tool to find out how to properly dispose of your recyclables, organics and garbage.
- Report illegal dumping.
- Schedule a large item collection.
- Sign up for collection reminders.

Download the Niagara Region Waste app at www.niagararegion.ca/waste.

Where can I buy/replace my blue/grey bins?

Residents can contact Miller Waste Systems, Niagara-on-the-Lake's collection contractor, to order blue/grey bins. Miller Waste Systems will deliver them directly to your home.

- For recycling information, please contact Miller Waste Systems: 1-833-621-0726 or area19@millerwaste.ca
- Residents can continue picking up green bins only at Town Hall (1593 Four Mile Creek Road, Virgil). Business owners who show a receipt of bins purchased from the Niagara Region can pick up blue/grey and green bins at Town Hall.

For more information about garbage, recycling, and organics, please visit the Niagara Region's website at www.niagararegion.ca/waste/default.aspx.

A non-profit volunteer-based group of caring and committed people who provide home delivery of hot or frozen meals as planned with their clients. The meals are prepared under the direction of a qualified dietician, and the costs of the meals are based on a non-profit reasonable rate.

PUBLIC SERVICES

HERITAGE PLANNING

The Town of Niagara-on-the-Lake is proud to celebrate and preserve its rich cultural heritage, which plays a vital role in defining the community's identity. To conserve this heritage, the Town has a Heritage Permit system in place. This system ensures that any proposed alterations to designated heritage properties conserve and enhance the cultural heritage value of these significant sites.

The Town's municipal heritage register includes 426 properties, consisting of:

- Part IV designated properties (individually designated under the *Ontario Heritage Act*).
- Part V designated properties (located within the Heritage Conservation District).
- Listed properties that are recognized for their heritage value but not formally designated.

In 2023, the Town launched its Priority Heritage Designation Program with 200 listed properties.

The Town has identified priority properties for designation. These properties were selected because they represent significant pieces of Niagara-on-the-Lake's history or identity. The priority properties were identified as those which, if lost due to demolition, neglect, or inappropriate alteration, would result in the substantial loss of a piece of Niagara-on-the-Lake history or identity. Progress continues on evaluating and designating properties on the priority lists.

QUEEN-PICTON (OLD TOWN) HERITAGE CONSERVATION DISTRICT STUDY (HCD)

The Phase One of the Study was approved by Council in June 2025, and Council directed Staff to begin Phase 2 which involved further opportunities for public engagement. Additionally, Council had also adopted a Study Area By-law identifying an area of Old Town to be evaluated for expansion of the heritage conservation district currently bounded by Prideaux, Wellington, Johnson and Gate Streets surrounding the commercial core of Old Town. This By-law placed a temporary one-year restriction on alterations to properties within the Study Area, with exemptions for minor alterations while the Study is underway, the by-law expired in February 2026.

As part of Phase 2, a draft HCD Plan was prepared in accordance with the Ontario Heritage Act and included a Statement of Cultural Heritage Value, heritage attributes, district objectives, policies and guidelines for contributing and non-contributing properties, public realm guidance, and implementation measures. The draft plan identified 255 contributing properties out of 533 total properties within the proposed expanded district boundary (over 47% contributing), meeting provincial requirements under the Ontario Heritage Act and Ontario Regulation 9/06. The HCD Plan was approved by Council in February 2026 and pending any appeals, Council provided direction to begin Phase 3 which is the Implementation Phase of the expanded district.

Newark Neighbours Food Bank & Thrift Shop

Newark Neighbours operates the only Food Bank serving Niagara on the Lake, including the communities of Old Town, Virgil, St. Davids, Queenston and Glendale.

Our services rely entirely upon community generosity, comprising primarily: our volunteers, food and monetary donations, and donations of goods for resale in our Virgil Thrift Store.

All donations and revenue from the Thrift Store, after operating expenses, are utilized to provide registered Food Bank Clients with a healthy selection of non-perishable groceries every two weeks, and provisions for three primary annual celebratory holidays. Newark Neighbours receives no financial support from any level of government.

Run and operated solely by a volunteer workforce, and supported by a giving community, Newark Neighbours is a charitable operation in the truest sense.

Contact Information:

Phone: 905-468-3519

Website: www.newarkneighbours.ca

Address: 1534 Niagara Stone Road, Virgil ON

Regular Thrift store hours:

PUBLIC SERVICES

LICENCES & PERMITS

BUILDING

The Town's Building Services Division helps keep the community safe by ensuring construction projects comply with the Ontario Building Code and applicable regulations. Inspectors work with homeowners, builders, and designers through plan reviews and key inspections to ensure buildings are safe, durable, and fit for their intended use across Niagara-on-the-Lake.

Why Building Inspections Matter

Building inspections help ensure homes and buildings are constructed and renovated safely, supporting long-lasting spaces for residents and visitors while helping protect the character of our town.

When a Building Permit is Required

A building permit is required for many types of construction and renovation projects, including but not limited to:

- Construction of buildings greater than 10 square metres
- Decks more than 600 millimetres above grade
- Sheds greater than 15 square metres
- Demolition of existing structures
- Additions to existing buildings
- Interior renovations involving structural changes and/or plumbing modifications
- Finished basements
- Basement damp-proofing
- Changes in the use of a building (including the creation of secondary dwelling units)
- Replacement of water, storm, or sanitary sewer lines

Obtaining a permit before starting work helps ensure your project meets safety standards and avoids potential delays or costly corrections.

Applying for a Building Permit

Building permit applications can be submitted online through Cloudpermit at www.ca.cloudpermit.com/login.

DOGS

We love our furry friends in Niagara-on-the-Lake!

Niagara-on-the-Lake dog owners are required to register and vaccinate their dogs against rabies. Dog licenses are valid for a full 365 days after the date of purchase. Residents must obtain a current year's license within 14 days of acquiring or moving a dog into Niagara-on-the-Lake. Registration includes a unique license tag, which serves as an official license and offers the HomeSafe™ 24/7 lost pet service. Dog owners can purchase a license online at www.notl.docupet.com.

PUBLIC SERVICES

HERITAGE

A Heritage Permit is required when the owner of a designated property wants to alter the exterior of a building designated under Part V or the designated portions of a building designated under Part IV of the *Ontario Heritage Act*. For more information regarding the Town's heritage resources, contact the Town's Heritage Planner at heritage@notl.com or visit www.notl.com/heritage-planning.

PLANNING TO DIG?

Building a fence, putting in a pool, planting a tree, or completing any other small digging project? Request a locate from Ontario One Call if you plan to dig in your yard. It is important to contact Ontario One Call so you can dig safely. Please visit www.ontarioonecall.ca or call 1-800-400-2255 before you dig.

SHORT TERM RENTAL

In the Town of Niagara-on-the-Lake, a license is required to operate a Short Term Rental including a Bed & Breakfast, Cottage Rental, Country Inn, Villa or Vacation Apartment. A renewal application must be submitted every four years to maintain an active license, which includes a re-inspection of the Short Term Rental. This ensures that the Short Term Rental continues to meet the safety standards set forth by the Ontario Fire Code and the Town of Niagara-on-the-Lake By-laws.

The Town's By-law Enforcement Officers work in partnership with the Short Term Rental compliance program, Granicus, to provide support to the community. Residents can use an online reporting system to submit concerns regarding Short Term Rentals. They can also contact Granicus and speak to a Host Compliance Operator, available 24 hours a day, seven days a week, by calling 289-210-7226. Please visit www.notl.com/short-term-rentals for further information.

SPECIAL EVENTS

Special events are hosted throughout the year in Niagara-on-the-Lake by a variety of organizations, bringing the community together and offering something for everyone to enjoy. These events create opportunities to connect, participate, and experience Niagara-on-the-Lake in new ways.

To learn when a Special Event Permit is required and to view associated fees, please visit www.notl.com/recreation-events/special-events. For additional information, contact specialevents@notl.com.

TREES

Property owners are required to apply for a Tree Removal Permit before removing any tree with a trunk measuring 12.5 cm or larger in diameter. Information regarding the requirements and the permit process can be found on the Town's website or by contacting the By-law Enforcement Officer – Urban Forestry at 905-468-3266 ext. 379. The private tree removal application form can be completed and submitted online at www.notl.com/form/private-tree-removal-application.

PARKING

PARKING IN NIAGARA-ON-THE-LAKE

Planning a visit to the picturesque and historic Heritage District of Niagara-on-the-Lake? While parking is free at Town facilities and most areas outside the Heritage District, paid parking is in effect within the Heritage District. Be sure to check signage for locations, rates, and regulations to ensure a smooth visit. The Town offers convenient parking payment options. Payment can be made online through HONK Mobile or ParkedIn, or use one of the payment machines located in the Heritage District.

RESIDENT PARKING PERMITS

Resident Parking Permits are available exclusively to residents of Niagara-on-the-Lake. Permit holders can park in any metered parking space or lot in the Heritage District (Old Town) for up to three hours at one time. It's perfect for visiting Old Town to shop, dine, or catch a show! Permits cost \$40.00 and can be purchased online at www.notl.com/town-services/parking or by visiting the Town Hall at 1593 Four Mile Creek Road in Virgil. Valid identification is required as proof of address to obtain a permit. Permits are valid for the vehicle identified by license plate number, are nontransferable, and are valid from January 1 to December 31.

ACCESSIBLE PARKING

Accessible parking spaces are located throughout Town on the street and in municipal parking lots. All vehicles parking in an accessible space must display a valid Accessible Parking Permit on their dashboard and are not required to pay for parking. The fine for parking in an accessible space without a valid permit displayed is \$400.00.

PARKING REMINDERS

- Please do not block driveways or sidewalks.
- Pay close attention to posted signs limiting or restricting parking.
- Parking your vehicle within 10 metres of an intersection or 3 meters of a fire hydrant is not allowed.
- You may not park in one spot for longer than 12 hours at one time.
- Always park your vehicle in the same direction as the flow of traffic.

PAY FOR PARKING

PAY AT A MACHINE

Visit the nearest parking machine to pay for parking using coin, cash or debit.

PUBLIC SERVICES

TRANSIT

Microtransit is an on-demand, shared-ride transit service operated by Niagara Transit. It provides flexible transportation to and from locations within the Niagara-on-the-Lake community, helping connect residents to areas not served by fixed bus routes.

Microtransit offers curb-to-curb service within Niagara-on-the-Lake, meaning riders are picked up and dropped off close to their requested locations.

If you are travelling outside Niagara-on-the-Lake, Microtransit can connect you to the broader Niagara Transit system for transportation.

Plan your trip, pay online, and book a ride using the Niagara Transit Plus (NTPlus) app.

Visit the Niagara Region Transit website at www.nrtransit.ca for more information or call 1-833-678-5463.

Transit for everyone.

Scan here to get the app.

WATER & WASTEWATER

The Town is proud to have a dedicated Water Division who is responsible for maintaining over 202 km of water mains, 1,383 valves, and 21 sampling stations across all five villages.

This year, Town Staff will once again be carrying out several preventative maintenance projects to ensure the continued safety and reliability of the Town's water and wastewater systems.

Planned work includes routine maintenance of all Town-owned fire hydrants, distribution water main valves, and inspections and maintenance of privately owned fire hydrants. Staff will also be installing automatic flushers in select areas of town where additional water turnover is required to maintain optimal chlorine residual levels.

In addition, the water distribution system will be flushed throughout town. These measures help provide fresh, high-quality drinking water to residents. The sanitary sewer system will also be flushed to remove buildup, reduce the risk of blockages, and help minimize odours.

Have comments, questions, or concerns regarding drinking water or wastewater services? Call the Town at 905-468-3266.

DONATE TO A TOWN INITIATIVE

Niagara-on-the-Lake is known for many wonderful things, and the generosity of its residents is certainly one of them! A big thank you to everyone who contributed to our various fundraising initiatives in the past. The Town warmly welcomes continued donations for current fundraising opportunities.

SCAN

Scan the QR code to make a donation. When making a donation, tax receipts will be issued for donations above \$25. Donations can also be

made online at www.notl.com/recreation-events/community-initiatives-events or in person at Town Hall (1593 Four Mile Creek Road, Virgil) via cash, debit or cheque (payable to the Town of Niagara-on-the-Lake).

Thank you for making a positive impact on our community!

TOWN AMENITIES & FACILITIES

COMMUNITY CENTRE

The Niagara-on-the-Lake Community Centre is located at 14 Anderson Lane, Niagara-on-the-Lake, and is open daily!

- Weekdays from 6:00 a.m. to 9:00 p.m.
- Weekends from 9:00 a.m. to 4:00 p.m.

Please visit www.notl.com for holiday closures.

RENTAL SPACES

The Niagara-on-the-Lake Community Centre's spacious **Auditorium** is perfect for hosting your next special event. This 4,500 square foot hall features a stage and convenient amenities including a kitchen, bar, built-in sound system, and projector. It can accommodate up to 450 guests with assembly seating or 250 guests seated at tables. This venue is ideal for wedding receptions, parties, stag and does, seminars, and more.

In addition to full rentals for large events, the Auditorium can also be divided into three sections to suit smaller-scale activities. These divided spaces are available for rentals such as fitness classes, pickleball, badminton, and other recreational programs.

The **Simpson Room** is 1560 square feet with a kitchenette, perfect for all types of social gatherings such as bridal or baby showers and parties up to 80 guests (without tables).

Book the **Mori Room** for your next event. The room features a kitchenette and lots of natural light. The space is 1015 square feet and has a maximum capacity of 60 people.

Rent the **Studio Room** to teach your fitness, dance, or karate class. This 950 square foot multipurpose room has mirrors and a built-in sound system.

Host your next meeting in the **Martin Sheppard Fraser Board Room**. This professional space seats up to 12 people comfortably with Wi-Fi and AV services available.

YOUTH & FAMILY PROGRAMS

The Town of Niagara-on-the-Lake provides programs for all ages year-round. Check out some of the current and upcoming programs below. These programs are scheduled during the spring session.

SPRING DROP-IN PROGRAMS & PASSES (APRIL 5 - JUNE 16)

The Town offers weekly drop-in programs designed for children, youth and families to enjoy. Programs rotate seasonally and may include art programs, active play and sports, open gym opportunities, and creative or social recreation programs.

Season Passes offer families convenient, year-round access to youth drop-in programs. With unlimited visits and age-specific options, it's an easy way to stay active and engaged all season.

There are three options for passes: **Children's Play Pass (Ages 2-7)**, **Junior Youth Pass (Ages 8-12)**, and **Senior Youth Pass (Ages 13-17)**. A one-time registration gives your child full access to eligible drop-in programs for the fall, winter, and spring sessions.

Pass Cost: Resident \$75.00 | Non-Resident \$110.00 | **Single Drop-in Class:** Resident \$8.00 | Non-Resident \$10.00

Learn more and purchase your passes at anc.ca.apm.activecommunities.com/notl/home.

PLAY IN THE PARK

Play in the Park is a free, unstructured drop-in initiative designed to engage youth and families in outdoor play. Play in the Park will be touring around Niagara-on-the-Lake, making visits to Town parks in all five villages. Participants of all ages can enjoy a variety of sports and activity equipment led by the Town's awesome trained program leaders. All skill levels and abilities are welcome, just show up and play!

For more information and a schedule, please visit www.notl.com/programs-youth-family.

RECREATION & COMMUNITY PROGRAMS

POOLS

Niagara Pool (370 King Street, NOTL)

Pre-Season: June 20, 21, 27 (Lane Swim 12:00 - 3:00 p.m. and Public Swim 3:00 - 6:00 p.m.)

Regular Season: June 28 - September 7

St. Davids Pool (1446 York Road, St. Davids)

Regular Season: June 28 - September 5

SPLASH PAD & WADING POOL

Cool off at the Virgil Splash Pad (1565 Four Mile Creek Road) and Simcoe Park Wading Pool (25 Picton Street). Visit www.notl.com/aquatics-programs for hours of operation.

GROUP LEARN TO SWIM/PRIVATE LESSONS

Group Swimming Lessons and Private Swimming Lessons are offered in two scheduling options throughout the summer, with daily options in the morning, and weekly options in the early evening. Lessons are not offered on Saturdays and Sundays.

LIFESAVING & LIFEGUARDING PROGRAMS

Start your lifesaving journey and become a lifeguard! The Town offers optional Canadian Swim Patrol and Bronze Star levels for youth ages 8-12, looking to get a headstart on their lifesaving journey, and Bronze Medallion, Bronze Cross, and the National Lifeguard program for candidates ages 13+ (pre-requisites required).

ELECTRIFYING EELS SWIM TEAM

The Electrifying Eels is a recreational summer swim team for swimmers aged 5-17. Practices are held Monday-Thursday. Swimmers will compete together as one team during local swim meet competitions. To participate, swimmers must demonstrate the ability to swim 25 metres unassisted and 20 seconds of surface support in deep water.

AQUATICS MEMBERSHIPS & DROP-IN FEES

Swim memberships provide unlimited access to drop-in swimming. Drop-in programs include Aqua Fitness, Family Swim, Lane Swim, and Public Swim at both Memorial Pool and St. Davids Pool. Memberships are valid for the full summer season and can only be purchased online.

NOTL Membership Pricing (Resident | Non-Resident):

Youth (4-15 years): \$67.25 | \$77.00

Adult (16-59 years): \$73.50 | \$84.25

Senior (60 years): \$67.25 | \$77.00

Family (Up to five members from one household): \$128.25 | \$147.00

Guest Pass (One-week): \$24.25 | \$27.75

Drop-in Fees:

Preschool (0-3 years): Free

Youth (4-15 years): \$3.00

Adult (16-59 years): \$4.00

Senior (60 years): \$3.00

Family (Up to five members from one household): \$16.00

A 15% discount is available for families registering three or more children in the same program/session.

This discount applies only to the third child and any additional children. Please contact 905-468-3266 ext. 401 to register using the discount.

RECREATION & COMMUNITY PROGRAMS

COMMUNITY GUIDE PROGRAM LISTINGS

This section highlights a wide range of recreation and community programs offered throughout Niagara-on-the-Lake. We extend a sincere thank you to the organizations, groups, and individuals who contributed to this Community Guide by sharing their programs, and to everyone who works year-round to deliver meaningful programming in our community.

Please note that not all programs offered in Niagara-on-the-Lake are listed here. Program offerings may change throughout the year, and additional opportunities may be available beyond this guide.

Organizations or individuals interested in listing a program or event in a future Community Guide are encouraged to visit www.notl.com/community-guide and complete the Community Guide Submission Form.

DANCE & MUSIC

ADULT BALLET

Contact: Jena Slingerland | 905-401-0711
trainingbyjena@gmail.com
