

PUBLIC NOTICE

Hot Mix Asphalt Road Resurfacing

WHAT: Walker Construction will begin road resurfacing work, including milling, pulverizing, manhole adjustments, and asphalt paving on:

- Mary Street (King Street to Simcoe Street)
- Paxton Lane (York Road to 250 metres south)
- Concession 7 Road (Queenston Road to Line 7 Road)

Residents may experience temporary construction-related disruptions, including limited driveway access, noise, and traffic impacts. Access to driveways will be restored daily.

WHEN: Construction is scheduled to begin the week of June 22, 2026, weather permitting. Each road is expected to take approximately three days to complete. Work hours will typically be 7:00 a.m. to 5:00 p.m., Monday to Friday.

CONTACT: For questions or additional information regarding this project, please contact Bryan McMillan, Engineering Technologist, Town of Niagara-on-the-Lake, by email (bryan.mcmillan@notl.com) or phone (905-468-3266 ext. 282).

COMMUNICATION: Project updates and notices will be posted to the Town's website and social media channels. Residents directly affected by the project have been notified via letter.
