

PUBLIC NOTICE

Road Closure for Regent Street Culvert Replacement Project

For Immediate Release

July 3, 2026

WHAT: The Town of Niagara-on-the-Lake, through its contractor Dynamic Excavating Inc, will commence the Regent Street Culvert Replacement between William Street and Centre Street. This project will require a full road closure.

A detour route will be provided around the site for traffic. This closure is necessary due to the culvert crossing the roadway.

WHEN: The road closure will begin on Monday, July 6, and be in place for thirteen weeks.

CONTACT: Any inquiries concerning this road reconstruction can be directed to Mike Komljenovic, Supervisor of Engineering, at mike.komljenovic@notl.com or 905-468-3266 ext. 240.

Emergency Services have been informed of this closure and have developed a plan to ensure emergency services to properties in the closure area remain unaffected.

Thank you for your patience and cooperation.
