What is this?

Town Council for Niagara-on-the-Lake has considered written and oral submissions and approved an Official Plan Amendment and Zoning By-law Amendment on the subject lands as follows (see the location map):

Official Plan Amendment 107

The Official Plan Amendment redesignates the lands to a site-specific General Commercial designation “EX-COM-9.” This site-specific designation permits a hotel and

hospitality area which are to be defined and regulated through the implementing Zoning By-law, in addition to permitting a residential dwelling unit and accessory buildings and structures. The “EX-COM-9” designation allows for a Holding “H” symbol to be used in the corresponding site-specific zoning by-law for the purposes of requiring a landowner to pay Cash-in-Lieu of Parking for required parking spaces that cannot be accommodated on the subject lands, pursuant to the provisions of the applicable Town Cash in Lieu of Parking By-law.

Zoning By-law 4316GF-26

The By-law provides a “Queen Picton Commercial (QPC-12) Site-Specific Zone” to permit and implement site-specific definitions for the hotel and hospitality area, in addition to permitting accessory buildings and structures and a residential dwelling unit. A range of site-specific provisions are included to recognize the existing configuration of buildings on the lot, and for bicycle and vehicle parking, loading areas, amenity areas, permitted yard projections and encroachments, and residential uses in a non-residential building.
