PUBLIC NOTICE

Road Closure on King Street

October 28, 2026

WHAT: King Street will be closed to **through traffic only** during working hours to accommodate the installation of new water, sanitary, and storm services at 670 King Street. A signed detour route will be in place for motorists travelling through the area.

Residents living within the closure area will continue to have access to their properties during the work. Local traffic will be permitted, and driveway access to homes and businesses within the closure limits will be maintained throughout the project.

WHEN: The closure will be in effect from 8:00 a.m. to 5:00 p.m. on Thursday, October 29, 2026. The roadway will reopen once the work has been completed and the area has been safely restored.

CONTACT: Any inquiries regarding this work may be directed to Casey Sharpe, Supervisor, Integrated Water Services, at casey.sharpe@notl.com or 905-468-3266 ext. 257.

COMMUNICATION: A signed detour route will be in place to guide through traffic around the closure. **Access for residents, businesses, visitors to properties within the closure area, and local traffic will be maintained at all times.**

Emergency Services have been informed of this closure and have developed a plan to ensure emergency access to all properties within the closure area remains unaffected.

Thank you for your patience and cooperation as this important work is completed.
