The Town of Niagara-on-the-Lake's street sweeper will return to service beginning Monday, November 2, 2026, for approximately one month of seasonal roadway maintenance.

WHAT: Town crews will be conducting street sweeping operations throughout Niagara-on-the-Lake to remove debris from roadways and help maintain drainage infrastructure.

The first week of operations will focus on Old Town (including Queen, Picton, & King); the second will focus on Niagara-on-the-Green; the third will focus on Queenston and St. Davids; and the fourth will focus on Virgil.
- Do not sweep leaves, grass clippings, or other yard waste onto streets.
