

The Corporation of the Town of Niagara-on-the-Lake

Information Report to Council

SUBJECT: Sewer Line Warranty Program Update

Date: December 14, 2017

Prepared By: Victoria Steele

Department: Corporate Services

BACKGROUND INFORMATION

The purpose of this Information Report is to advise Council that beginning December 20, 2017, letters will be mailed out by Service Line Warranties of Canada to residential properties within Niagara-on-the-Lake regarding insurance for the portion of water services on private property that front on municipal owned watermain.

Report OPS-15-031 recommended that Council endorse the AMO/LAS Sewer and Water Line Warranty Service Program. By-law 4836-15, being a by-law to authorize a marketing license agreement between the Town and Service Line Warranties of Canada Inc. (LAS Water and Sewer Warranty Program), was also approved on September 21, 2015. In late February 2017, letters were mailed by Service Line Warranties of Canada to residential properties within Niagara-on-the-Lake that front a municipally owned sanitary sewer.

As per the agreement with Sewer Line Warranties of Canada, a second letter focusing on water services on private properties will be mailed on December 20, 2017. An example of the envelope and letter that residents will receive is attached to this information report. While the mail-out will begin on December 20th, it is anticipated letters will be delayed due to the holiday season.

NEXT STEP / CONCLUSION

In coordination with this program, Town staff has posted this information to social media, promoted the program through the Town's website at <http://notl.org/content/sewer-line-protection>, and an article will be published in the Niagara-on-the-Lake Advance on Thursday December 21st.

Town staff will continue to work with Service Line Warranties of Canada as additional programs are offered to residents and address any issues or complaints as they occur. All questions regarding the program should be directed to Sewer Line Warranties of Canada by phoning 1-844-616-8444 to speak with an agent Monday through Friday, 9:00 am to 5:00 pm.

Re: Water Service Line Repair
Coverage for Niagara-on-the-Lake Homeowners

Reminder - Please disregard if you have already enrolled

Dear <<Customer Name>>:

Did you know that necessary repairs to the water line that runs between your home and the public utility connection are the responsibility of the homeowner? These lines are subjected to the same elements that can cause our public service lines to decay – age, ground shifting, root invasion, fluctuating temperatures and more.

The Town of Niagara-on-the-Lake understands the importance of water conservation and protecting the environment. While efforts are underway in many communities to improve public water and sewer systems, these fixes don't address the water line located on your property. Homeowners can spend from hundreds of dollars up to \$2,500 to repair or replace a broken or leaking water line on their property – and that can be hard on a budget.

This is why we are pleased to introduce the Water Line Protection Plan Program from Service Line Warranties of Canada (SLWC), a voluntary service line repair program that can provide repair coverage for your outside water line, up to \$5,000 per covered incident with no deductibles or annual caps. This is the only service line protection program for homeowners fully supported by the Town of Niagara-on-the-Lake and endorsed by Local Authority Services (LAS). The program provides a 24-hour emergency hotline, 365 days a year.

SLWC, an independent organization, administers the program and is a BBB Accredited Business with an A+ rating. SLWC has helped more than 140,000 homeowners across North America save over \$90 million in water and sewer service line repair costs.

Enroll today and pay a monthly price of \$5.00 (plus applicable sales tax) – or save with an annual payment of \$55.00 – a savings of over 7% off the monthly price.

Enroll in this optional program today and you will have no waiting period so you'll get immediate coverage! To enroll, return the completed bottom portion of this letter in the enclosed envelope or call **1-844-616-8444** to speak with an SLWC agent Monday through Friday 9:00 am to 5:00 pm. Or visit www.slwofc.ca where you can enroll online – and learn about other service line protection products available in your area!

Please enroll by <<Date>>.

Sincerely,

Town of Niagara-on-the-Lake and Service Line Warranties of Canada

Important Coverage Information: Eligibility: An owner of a single-family home is eligible for coverage. Mobile homes or properties used for commercial purposes are not eligible. By enrolling, you represent that your water line is in good working order. For condos, co-ops or homeowners associations, water lines may not be your responsibility, so please check before accepting coverage. Benefit Details: Coverage provides, up to the benefit amount, for the covered cost to repair or replace the consumer-owned portion of a leaking or broken primary water service line, from a public or municipal water system up to the internal point of entry to your home, where the flow of the line is interrupted due to normal wear and tear, not accident or negligence. Not covered: Shared lines that go to multiple properties, detached houses or secondary buildings; branch lines; meters and meter vaults; curb valves or boxes; and damage from accidents, negligence or otherwise caused by you, others, acts of God or insurable causes. Additional exclusions apply. Making a Service Call: Your contract starts the day your enrollment form is processed and you can make a service call immediately. Cancellation: You may call the number below to cancel your coverage any time. If you cancel within 30 days of your enrollment date, you will be refunded in full less any claims paid (where applicable). If you prepaid your contract and cancel before end of term, you will be refunded the unused portion of your payments less any claims paid (where applicable). Renewal: The contract is monthly and automatically continues thereafter so long as you make timely payments.

For full Terms & Conditions with complete coverage and exclusion details before enrolling, go to www.slwcterm.ca. SLWC is an independent company, separate from your local utility or community, providing emergency home repair services and protection solutions to homeowners across North America. If you would prefer not to receive solicitations from SLWC, please call 1-844-616-8444.
