

MY PLAN NOTL Official Plan Review

Following the release of several discussion papers and a series of Open Houses as part of the Official Plan Review process, the Town has now secured the professional services of Planscape Inc. to finalize the Official Plan document.

Planscape Inc., located in Bracebridge, is a consulting planning firm specializing in land use planning for smaller urban communities and agricultural, rural and recreational lands in various parts of Ontario and the Greater Golden Horseshoe. The company has worked on the agricultural policies for the Town of Lincoln Official Plan and the development of a Niagara-specific Agri-Food Strategy for Niagara Region.

The lead team consultants, Margaret Walton and Rick Hunter, will partner with representatives from North-South Environmental and Watson & Associates to complete this work.
