

MY PLAN NOTL Official Plan Review Heritage, Arts and Culture

In 2013, Town residents shared their views on the future growth of our community. We asked you to tell us your vision for the Town and used this input to determine a number of priority areas. In March 2014, we published a Background Report based on your vision and held our first community engagement session.

Please join us for our second community engagement session on Heritage, Arts & Culture.

Some of the issues we want to explore with you are:

- How do we conserve, enhance and celebrate the Town's historic character and cultural heritage?
- How do we foster civic pride and a sense of stewardship of the Town's historic and cultural heritage?
- How can we recognize the contribution that built and cultural heritage landscapes make to the rural and urban character of the Town?
- How do we leverage our significant cultural and built heritage to enhance the vitality of the town to provide new economic development and tourism opportunities?
- How do we promote and interpret cultural heritage resources and develop educational programming?
- How do we cultivate appreciation for and participation in artistic and cultural activities?
- Should we prepare and implement a Cultural Plan to ensure that culture continues to play an important role in strengthening the Town's economy?
