

Committee of Adjustment Application Deadline and Hearing Schedule 2023

The hearing date for your application will be confirmed once the Secretary-Treasurer is satisfied that all necessary documentation has been submitted to support the application. This will require a review by municipal staff. **The schedule is intended as a guideline only.** Once an application has been deemed complete, the hearing date will be scheduled.

Complete applications will include all required forms, fees and applicable sketches as noted on the pre-consultation form and additional information as may be requested in accordance with provisions under the Planning Act, R.S.O. 1990, c.P.13, as amended.

Hearing dates have been established to permit the Secretary-Treasurer adequate time to comply with the Provincial Notice Requirements. Failure to submit complete applications will result in the Hearing being delayed. Further, Hearing dates may depend on the number of applications already received and scheduled for that particular date, and when your application is deemed to be complete by municipal staff.
