What is this?

Applications have been received for an Official Plan Amendment and Zoning By-law Amendment on the subject lands (see location map).

The Applications are proposed to facilitate the development of a three (3) storey apartment building containing 29 residential units and underground parking.

The Official Plan Amendment proposes to redesignate the lands from “Low Density Residential” to a site-specific “Medium Density Residential” designation to permit the proposed apartment building and density.

The Zoning By-law Amendment proposes to rezone the lands from “Residential (R1) Zone” to “Residential Multiple (RM2) Zone” with site-specific provisions for encroachments, lot area per unit, lot coverage, rear and interior yard setbacks, building height, buffers, and fencing.
