THE WARNER BURIAL GROUNDS  
Warner Rd., Niagara-on-the-Lake

This site is the earliest Methodist burial ground recorded in the area, its establishment dating from the first decade of the 19th century and the original survey recorded in 1805. The older part of the graveyard is noteworthy historically as being the burial place of several notable early settlers of U.E.L. descent as well as six members of Butler's Rangers. Several old gravestones survive. The older part of the graveyard, where early burials are all located, is the area to be designated.
