SCHEDULE "B"

TO BY-LAW NO. 1971-88

STATEMENT OF THE REASONS FOR THE PROPOSED DESIGNATION

The Randwood Milkhouse and Stables, c.1919
580 Charlotte Street
Part of Block A, Plan M-100, being Part 2 on Plan 30R-5540
Town of Niagara-on-the-Lake, Ontario

The Randwood milkhouse and stables, built in 1919 for George F. Rand I, are recommended for designation for architectural and historical reasons. Eclectic in style, they are constructed in the shingle style of the time and typify model farm buildings designed to accompany an estate in the early twentieth century. The two buildings constitute a significant architectural entity and notable aspects of the co-ordinated design include the low, rambling form creating a sequestered courtyard and a silo dressed as a "chateausque" tower with a conical crown accenting one corner. The rough-cast stucco walls, combined with decorative stone treatment and flared eaves on the long, sloping roofs bridge the taste of the Romanesque and Colonial revivals as do some of the major gable windows, the gable forms and small diamond paned windows, the latter both Queen Anne Revival and Tudor precedents.

The property on which the stables and milkhouse stand is historically significant because of its association with several notable owners who were prominent in the early development of Upper Canada and the Niagara area particularly the Honourable Peter Russell, Simcoe's successor as Administrator of Upper Canada; the Honourable William Dickson; and General Henry Lansing. The stables and milkhouse are significant because of their connection with the Rand family. Mrs. Evelyn Sheets, daughter of George F. Rand I, was a keen equestrian vitally interested in the stables. A son, George F. Rand II, raised prize cattle and the milkhouse was his interest. The Rand family, noted in the United States for its business acumen and political connections, especially with President F. D. Roosevelt, was one of the most influential of those American families who spent summers in Niagara-on-the-Lake early in this century and who repaired and renovated some of the Town's fine homes.

This designation is to include the entire exterior facade of both the stables and milkhouse.
