### What is this?

Applications have been received for an Official Plan Amendment and Zoning By-law Amendment on the subject lands, municipally known as 95 Johnson Street (see location map).

The applications initially proposed to facilitate the addition of a “Hospitality Area” use to the existing Country Inn, to be located on the ground floor and outdoor courtyard area. The applicant has since revised the proposal to facilitate the conversion of the existing

Country Inn to a Hotel, which would include a hospitality area where food and alcohol could be served as contemplated by the initial proposal. The proposal, as initially presented, has not changed and the revisions to the proposal are respecting the classification of the use only. The Official Plan Amendment proposes to redesignate the subject lands from “Established Residential” to site-specific “General Commercial”, with a site-specific exception to permit a hotel use, hospitality area and a residential dwelling unit. The Zoning By-law Amendment proposes to rezone the subject lands from “Established Residential (ER-12) Site Specific Zone”, to a site-specific “Queen Picton Commercial (QPC) Zone” to permit and implement site-specific definitions for the proposed Hotel and Hospitality Area, in addition to permitting accessory buildings and structures and a residential dwelling unit. A range of site-specific provisions are proposed to recognize the existing configuration of buildings on the lot, and for bicycle and vehicle parking, loading areas, amenity areas, permitted yard projections and encroachments, and residential uses in a non-residential building.

**NOTE:** The applicant has requested to reschedule this Public Meeting from June 2, 2026, to July 7, 2026. For this reason, the Public Notice is being recirculated to reflect the revised date of the Public Meeting.
