**What is this?**

Applications have been received for an Official Plan Amendment and Zoning By-law Amendment on the subject lands (see location map).

The Applications are proposed to facilitate the development of a 5-storey hotel building with 111 rooms, a spa facility within an existing 3-storey building with associated structures, five (5) 3-storey residential buildings with a maximum of 270 residential units, and a total of 514 surface and underground parking spaces to accommodate all uses, with access via John Street East.

The Official Plan Amendment proposes to redesignate 200 John Street East and 588 Charlotte Street from “Low Density Residential,” and “Medium Density Residential” to “General Commercial (Randwood Estate)” and a site-specific “Medium Density Residential” designation. The site-specific designation is made to permit the proposed residential buildings and associated density.

The Zoning By-law Amendment proposes to carry forward the permissions and provisions of the existing “General Commercial (GC-56) Holding (H)” and “Open Space (OS-56) Holding (H)” zones to the overall lands, and establish new site-specific GC-56 provisions for maximum lot coverage, minimum landscaped open space, minimum building setbacks, maximum building height, maximum floor area, and minimum parking requirements. A new “Residential Multiple (RM1) Site-Specific Holding (H) Zone” is proposed to accommodate a maximum of 270 residential units. The Holding (H) Symbol cannot be lifted until such time as the applicant receives final site plan approval from the Town.
