

ANNUAL REPORT 2025

For the year ended December 31, 2025
Town of Niagara-on-the-Lake, Ontario

www.notl.com

2025 ANNUAL REPORT

The Corporation of the Town of Niagara-on-the-Lake's 2025 Annual Report, for the fiscal year ended December 31, 2025, Niagara-on-the-Lake, Ontario, Canada.

The 2025 Annual Report has been prepared in an electronic format and is available on the Town's website at www.notl.com. Printed copies are available upon request.

In keeping with the Town's goals of fiscal responsibility, applying our environmental stewardship lens, and increasing the online availability of information, Niagara-on-the-Lake produces a limited quantity of the annual report in hard copy. This initiative is one of many Town initiatives that help reduce the Town's carbon footprint and reduce costs for residents and businesses.

Produced by the Organizational Performance, Strategy & Transformation Department and the Communications Team of The Corporation of the Town of Niagara-on-the-Lake in cooperation with all Departments and agencies.

The Town is delivering this 2025 Town Departmental Recap to provide Council with a comprehensive, high-level summary of accomplishments, initiatives, and key outcomes across all departments in 2025. Financials will be added later in 2026.

STATISTICAL REVIEW

Statistical Review (Unaudited)	81
--------------------------------	----

MESSAGE FROM LORD MAYOR ZALEPA

On behalf of Niagara-on-the-Lake Town Council, I am pleased to present the 2025 Annual Report.

As I reflect on the past year, I remain grateful for the opportunity to serve as Lord Mayor and to work alongside a dedicated Council and exceptional Town Staff. Together, we have continued to strengthen our community, deliver meaningful progress on Council's Strategic Plan, and support the services and initiatives residents rely on every day. Niagara-on-the-Lake is a special place, and I am proud of the work completed in 2025 to help ensure it remains one of the best places to live, work, and visit.

Significant progress has been made in advancing Council's Strategic Plan across all four strategic pillars. Over the past year, Niagara-on-the-Lake advanced key priorities that strengthen community life, support responsible growth, and improve how the municipality delivers services. This included continued investment in community programming and events, progress on long-term planning initiatives, and steps to enhance parks, recreation, and other community assets. At the same time, the Town advanced organizational improvements to strengthen service delivery, including initiatives focused on modernizing internal processes and improving the resident experience.

The accomplishments of 2025 would not have been possible without the commitment and hard work of Town Staff. Their effort, supported by Council's leadership, continues to move Niagara-on-the-Lake forward in alignment with our strategic vision and the priorities of our community. I look forward to continuing this work together in 2026.

Thank you to all residents, businesses, volunteers, and community partners for your continued involvement, feedback, and dedication to Niagara-on-the-Lake. Your participation helps shape our shared future, and Council remains committed to collaborating and delivering results for our community.

Sincerely,

Lord Mayor Gary Zalepa

VISION

Enriching and protecting our heritage, agriculture and natural beauty, while creating a resilient, vibrant and welcoming community for all.

MISSION

To efficiently deliver a high standard of municipal services and dependable infrastructure to support the community and to take leadership in planning, decision-making and policy development to ensure a healthy and financially sustainable future.

STRATEGIC PILLARS

Vibrant & Complete Community

Good Governance

Enrich Community Assets, Environment, & Infrastructure

Optimize Organizational Excellence

LEGISLATIVE AUTHORITY

Niagara-on-the-Lake is one of 12 municipalities within the Region of Niagara. Before the creation of the Regional Municipality of Niagara in 1970, the area was composed of the former Town and Townships of Niagara. The Town is represented by a Lord Mayor and eight (8) Councillors.

Niagara-on-the-Lake holds the distinction of being the first capital of Upper Canada from 1792 to 1796, when it was known as Newark.

The Chief Administrative Officer (CAO) is appointed by Council to oversee the management and operation of the Corporation. The CAO advises Council on all municipal programs and services and is accountable to Council for all operations of the Corporation.

MESSAGE FROM THE CHIEF ADMINISTRATIVE OFFICER

I am pleased to present the Town's 2025 Annual Report, which outlines the progress achieved over the past year. 2025 marked a period of meaningful accomplishment and transition for Niagara-on-the-Lake.

I joined the Town in July 2025 and have focused on supporting Council's strategic direction and advancing the Town's strategic priorities. My experience in municipal operations and public service, with a focus on collaborative leadership, effective decision-making, and accountable service delivery, guide my approach in supporting the organization and the community.

This Annual Report documents the Town's achievements in 2025 and identifies the ongoing work required to ensure the effective delivery of municipal services and responsiveness to community needs. Some highlights include efforts to advance long-term planning, organizational effectiveness, and improvements to programs and community assets. These accomplishments reflect the sustained commitment required to maintain core municipal services while addressing emerging priorities and evolving service demands.

I would like to thank Bruce Zvaniga for his leadership as Interim CAO, ensuring business continuity and advancing key initiatives during his tenure.

I extend my sincere appreciation to Town Staff for their professionalism and commitment, and to Council for its leadership and direction. I also thank our residents, businesses, volunteers, and community partners for their continued engagement and support.

I look forward to working collaboratively in 2026 as we continue to serve the community of Niagara-on-the-Lake.

Sincerely,

Nick Ruller
Chief Administrative Officer

ORGANIZATIONAL REALIGNMENT

CORPORATE

In late 2025, the Corporation of the Town of Niagara-on-the-Lake implemented a corporate organizational realignment to better support strategic priorities, strengthen collaboration, and improve service delivery.

As a result, the 2025 Annual Report is presented using the Town's revised organizational structure, although some initiatives and accomplishments occurred earlier in the year under the former structure.

PURPOSE OF THE REALIGNMENT

The organizational realignment reflects the Town's commitment to modernization, performance, and accountability. The changes were designed to better align departmental responsibilities with strategic priorities, strengthen collaboration, support evidence-based decision-making, and enhance service delivery to the community.

KEY STRUCTURAL CHANGES

The realignment included updates to department names and responsibilities, including:

- The creation of the Organizational Performance, Strategy & Transformation Department, focused on modernization, strategic alignment, and performance measurement, including Information Technology, Human Resources, Communications, and Customer Experience.
- The renaming of Operations to Public Works & Infrastructure, with a focus on infrastructure and asset management.
- The formation of Community & Protective Services, bringing together Fire & Emergency Services and By-law, with Parks & Recreation.
- The expansion of Corporate Services to include Clerks and Legal Services.
- The renaming of Community & Development Services to Planning, Building & Development Services, now including Economic Development.

READING THIS REPORT

Departmental highlights are organized according to the Town's new structure. While some work began prior to the realignment, accomplishments are presented under the department that now holds responsibility.

This approach reflects how services are delivered today and supports a clear understanding of the Town's evolving organizational structure.

COMMUNITY --- & PROTECTIVE SERVICES

DEPARTMENT OVERVIEW

COMMUNITY & PROTECTIVE SERVICES

Enforcement

The Enforcement Division is committed to upholding municipal by-laws that protect the health, safety, and quality of life for residents and visitors in Niagara-on-the-Lake. The team oversees key areas such as parking enforcement, property standards, and Short Term rental compliance, with a focus on education and voluntary compliance before issuing penalties. Through a transparent, community-focused approach, the Division promotes accountability and collaborates with residents and businesses to maintain a safe, accessible, and well-regulated community.

Fire & Emergency Services

Niagara-on-the-Lake's Fire & Emergency Services continues to focus on readiness, prevention, and firefighter well-being. The Training and Operations Division ensures volunteer firefighters are fully prepared to respond to emergencies, while the Community Risk Reduction Division leads fire prevention, education, and safety initiatives. Fire Administration supports the health and wellness of volunteer firefighters, manages resources, and leads strategic planning, overseeing approximately 100 volunteer firefighters throughout all five villages.

Parks & Recreation

Parks & Recreation is responsible for the operation and maintenance of all Town-owned recreational facilities (i.e. arenas, pools, a splash pad, sports fields, recreational complexes, Court House, Community Centre), park maintenance (25 parks, 135 acres), Queen Street boulevard maintenance and horticultural duties, management of cemeteries (1 operational, 8 abandoned), and maintenance of all public washrooms and municipal properties.

Other 2025 Strategic Highlights

- **Fire & Emergency Services Recruitment:** A strong recruitment year saw 10 recruits graduate, bringing the department to its highest number of active firefighters in recent history.
- **Community Risk Reduction Division:** The Volunteer Public Education Team hosted 46 Public Education Events, while the Alarm Assistance Program continued to provide essential fire safety support to seniors and individuals with mobility challenges, assisting 74 residents.
- **Enforcement:** A By-law & Policy Coordinator was hired to update and create new by-laws and policies, and a Manager of Enforcement was hired to fill a new position.
- **Parks & Recreation Masterplan:** The Masterplan was completed and presented to Council, with Town Staff now working on implementation and strategy.
- **25th Annual Niagara-on-the-Lake Golf Classic Tournament:** The 2025 tournament raised over \$25,000 to fund new swings at the Virgil Sports Park.
- **Live Barn:** This online streaming service was installed at the Virgil Arenas to provide an accessible, subscription-based streaming service.

CORPORATE --- SERVICES

DEPARTMENT OVERVIEW

CORPORATE SERVICES

Clerks

The Clerks Division supports the effective and transparent operation of Council and Committee processes by coordinating meeting logistics, preparing agendas, recording official minutes, and providing legislative and procedural guidance. The Division is also responsible for managing municipal records, administering Freedom of Information requests, issuing licences and permits, and delivering Municipal Elections in accordance with legislative requirements.

Finance & Taxation

The Finance and Taxation Division supports Council and all Town departments by effectively managing accounting, financial reporting, budgeting, cash management, taxation and revenue collection, water and sewer revenue management, and accounts payable and receivable. The Division provides corporate-wide financial leadership by developing financial strategies, policies, and internal controls; ensuring compliance with applicable legislation and accounting standards; and overseeing the Town's asset management planning to support long-term financial sustainability. The Division is also responsible for risk management and governance functions, including insurance coordination and claims administration, and plays a key role in promoting transparency, accountability, and sound financial stewardship across the organization. In addition, the Division administers and implements the Municipal Accommodation Tax (MAT).

Legal

Legal is responsible for coordinating legal matters for the Town by working closely with external legal counsel and internal departments, providing professional legal support with a focus on planning, real estate, procurement, and corporate matters.

Other 2025 Strategic Highlights

- **Hired Key Staff Positions:** A Finance and Taxation Clerk, Asset Management Coordinator, and Legal Coordinator were added to support core operations.
- **Budget Office for the 2026 Budget:** A Budget Office was established to guide the preparation of the Town's annual budget in alignment with provincial legislation.
- **Phase 1 Asset Management Plan Completed:** Phase 1 of the Asset Management Plan was completed in compliance with Ontario Regulation 588/17.
- **Public Sector Accounting Board (PSAB) 3400 Implementation:** The new PSAB 3400 revenue standard was implemented, including a review of all revenue sources and the update of processes.
- **Discretionary Grant Policy Enhancements:** The Discretionary Grant Policy was updated to clarify eligibility, set funding limits, and strengthen reporting requirements.
- **Corporate Leasing Program:** A corporate fleet leasing program was introduced to improve fleet renewal, coordination, and management practices.
- **2026 Municipal Election Arrangements:** For the upcoming election, internet voting services were secured, and the Town partnered with area municipalities for a shared election vendor.

ORGANIZATIONAL PERFORMANCE, — STRATEGY & TRANSFORMATION

DEPARTMENT OVERVIEW

— ORGANIZATIONAL PERFORMANCE, STRATEGY & TRANSFORMATION

Communications

The Communications Team takes a strategic approach to communication to achieve clear results through proactive and consistent communication. The Team works closely with different Departments to help them achieve their respective objectives while contributing to the overarching goals outlined in Council's Strategic Plan. This Team ensures that the Corporation's external and internal communication (audio, digital, print, visual, written) is efficiently handled and responsive to the needs of diverse audiences. They also oversee community engagement efforts, including coordinating corporate and Town-sponsored events and public engagement initiatives.

Customer Experience & Organizational Performance

The Customer Experience & Organizational Performance Team leads the Town's customer experience efforts, oversees corporate and strategic planning, and drives modernization initiatives. The team ensures that organizational priorities are clearly defined, aligned, and continuously improved to support effective service delivery across the Corporation.

Human Resources

Human Resources oversees recruitment, payroll, benefits, employee and labour relations, and corporate training to support Staff throughout the organization. Health & Safety focuses on workplace well-being through public education, compliance initiatives, and by leading the Joint Health & Safety Committee.

Information Technology

The Town's Information Technology (IT) Division continues to enhance service delivery to the public by helping all Town Departments make informed decisions with the use of current and emerging technology. IT also safeguards the Town's digital information systems to protect corporate and resident information.

Other 2025 Strategic Highlights

- **Social Media Growth:** Significant growth was seen on the Town's social media platforms in 2025, particularly in interactions, link clicks, and follower growth. Facebook experienced a 304% increase in link clicks and 160% increase in engagement versus 2024.
- **Cybersecurity & System Reliability:** The Information Technology Division continued to advance the Town's cybersecurity and system reliability objectives through diligent oversight, proactive planning, and continuous improvement initiatives.
- **Phishing Awareness Campaign:** A comprehensive phishing awareness campaign yielded exemplary results with fewer than 0.001% of users engaging with simulated phishing attempts, reflecting a high level of cybersecurity awareness across the organization.
- **Procured a Customer Relationship Management System:** A new digital tool was procured and implemented to track and manage customer requests in one place, helping staff respond more efficiently and improve the service experience for residents and businesses.
- **Human Resources Excellence:** Staff secured a rebate through the WSIB Excellence Program and successfully led recruitment and hiring of a new Chief Administrative Officer for the Corporation, starting in July of 2025.

PLANNING, BUILDING & DEVELOPMENT — SERVICES

DEPARTMENT OVERVIEW

PLANNING, BUILDING & DEVELOPMENT SERVICES

Building

Building Services is responsible for administering and enforcing the Ontario Building Code. Staff review building permits and conduct inspections to ensure that all construction projects comply with the Code's requirements. Building permits are required for all new construction projects involving buildings larger than 10 square metres, as well as for most exterior and interior alterations to existing buildings.

Development Planning

Development Planning plays a vital role in managing growth to meet the needs of current and future residents. Planning must balance growth and development with local considerations to conserve, protect and enhance the Town's agricultural lands, cultural heritage, and environmental assets. There is steady interest in development within the Town, and the division assists in maintaining and creating a high-quality, sustainable community where people can live, work, and visit.

Heritage Planning & Policy

The conservation of the Town's cultural heritage remains a priority for Council, supported by the Municipal Heritage Committee. The Committee reviews and recommends on permit applications for heritage properties, including alterations and demolitions, and supports designations, policy matters, and grant reviews. Policy planning guides growth and development by shaping land use, housing, transportation, and environmental decisions, while protecting local character, promoting sustainability, and ensuring services and infrastructure meet current and future needs.

Economic Development

Economic Development works to foster an environment where businesses can thrive and grow, creating a prosperous, resilient, and diverse economy that benefits the community. This includes supporting local businesses, attracting new investment, encouraging innovation and entrepreneurship, and partnering with stakeholders to strengthen employment opportunities and long-term economic sustainability across Niagara-on-the-Lake.

Other 2025 Strategic Highlights

- **Development Planning:** Development processes and customer service were improved, with a new Site Plan Application and Agreement webpage launched, a Memorandum of Understanding completed with the Niagara Region supporting coordinated engineering reviews, and the creation of a user-friendly guide helping residents understand how to establish Additional Dwelling Units.
- **Policy Planning:** Residents and stakeholders were engaged in shaping the proposed Official Plan through Public Information Centres and community surveys, helping inform long-term planning decisions that reflect shared values and priorities.
- **Heritage Planning:** A focus on conservation to strengthen community identity and preserve local character was evident in 2025. This was accomplished through the passing of five Heritage Designation By-laws, the evaluation and development of the Queen-Picton Heritage Conservation District Plan, and the restoration of four historic boundary stones.
- **Building Services:** The Building Team supported public safety through plan reviews and inspections. The average time for building permit reviews continues to meet the timelines as regulated by the Ontario Building Code, reflecting a strong commitment to timely, efficient service.
- **Planning, Building and Development Services:** A comprehensive review of planning application and building permit fees was undertaken and approved by Council to ensure that fees accurately reflect the cost of service delivery and comply with provincial requirements.
- **Economic Development:** In October 2025, the Town received the Economic Developers Association of Canada (EDAC) Host Award.

PUBLIC WORKS & INFRASTRUCTURE — SERVICES

DEPARTMENT OVERVIEW

PUBLIC WORKS & INFRASTRUCTURE SERVICES

Engineering

The Engineering Team provides surveying, design, and construction management for transportation, sewer, water, and drainage projects, as well as street lighting, pavement markings, and maintenance. Staff use computer technology and engineering principles to deliver project designs, from cost estimates to final construction drawings and specifications, including surveying, supervision, and inspection for municipal projects. Qualified engineering consultants support this Team as needed.

Roads

The Roads Team handles roads, sidewalks, storm sewers, and roadside ditches. Responsibilities include gravel resurfacing, grading, dust control, guardrail repairs, road patching, sign maintenance, stock inventory, roadside ditching, tree planting and removal, street cleaning, sidewalk maintenance, catch basin repairs, road closings, boulevard maintenance, driveway approvals, culvert installations, and winter operations like snow plowing and sidewalk clearing. These Staff members also manage the garage operations, including the acquisition, maintenance, and repair of the Town's fleet vehicles.

Environmental Services

The Environmental Services Team oversees water distribution, wastewater and stormwater collection systems, municipal drains, and irrigation infrastructure. These Staff also lead climate change initiatives and place a strong emphasis on natural asset management.

Other 2025 Strategic Highlights

- **Culvert Rehabilitation:** The McNab Road culvert between Scott Street and Church Road was replaced with a new 1,800mm pipe, improving drainage and long-term infrastructure resilience.
- **Road Resurfacing and Widening:** Milling and top-course asphalt resurfacing on Concession 6 Road, Queens Parade (including widening), and Elden Street were completed to improve road conditions and safety.
- **Sanitary Sewer Rehabilitation:** Sanitary sewer mains and individual property laterals in Garrison Village were rehabilitated using trenchless relining to reduce infiltration and extend system life.
- **Storm Sewer Replacement:** The Melville Street storm sewer and outlet from Lockhart Street to Lake Ontario were replaced, along with associated surface and parkette restoration work.
- **Sidewalk and Pedestrian Improvements:** New sidewalks were installed, and existing sidewalks were widened on Cherry Street, King Street, Johnson Street, and Charlotte Street to enhance pedestrian safety and connectivity.
- **Structures and Asset Management:** Town-wide inspections of bridges, culverts, and pedestrian structures were completed, and long-term asset management planning, including updated cost forecasts, was advanced.

FINANCIAL --- REPORT

MESSAGE FROM THE TREASURER

The Town of Niagara-on-the-Lake is pleased to present its Financial Report for 2025. This report has been prepared by management in accordance with the Municipal Act and based on the Canadian Public Sector Accounting Standards (PSAS) as recommended by the Public Sector Accounting Board (PSAB) of Chartered Professional Accountants (CPA) Canada. The PSAB serves the public interest by establishing standards and guidance for financial reporting by all Canadian entities in the public sector and contributing to developing internationally accepted public sector financial reporting standards.

The Financial Report communicates the Town's 2025 financial performance to stakeholders and residents and provides information regarding significant financial policies and processes. The 2025 financial results continue to demonstrate Niagara-on-the-Lake's commitment to financial excellence.

The Town and the Niagara Region provide municipal services to Niagara-on-the-Lake taxpayers. The Niagara Region is exclusively responsible for garbage collection and disposal, water treatment, wastewater services, transit, policing, and social services. The Town's financial statements do not include costs for Niagara Region services.

Niagara-on-the-Lake's property tax bill includes levies for the Town, the Niagara Region, the Province of Ontario (for education purposes), and the Niagara Health System. The Town's 2025 levy impact on a typical residential property was approximately 22% of the total property tax bill.

With each budget cycle, Council and Staff carefully review all service areas to improve efficiency and value for taxpayers. As a result of this review, the Town was able to limit its property tax bill increase to approximately 1.87% on the Town's portion of the tax bill without compromising services. The increase in the total tax bill, including the Town, Niagara Region, Education, and Niagara Health System, was approximately 11.58% for rural properties and 11.34% for urban properties.

Sincerely,

Nick Alaimo, CPA, CMA
Manager of Finance/Treasurer

August 24, 2026

Government Finance Officers Association

Canadian Award for Financial Reporting

Presented to

**Town of Niagara-on-the-Lake
Ontario**

For its Annual
Financial Report
for the Year Ended

December 31, 2024

Christopher P. Morrell

Executive Director/CEO

Government Finance Officers Association of the United States and Canada (GFOA) awarded a Canadian Award for Financial Reporting to the Corporation of the Town of Niagara-on-the-Lake for its annual financial report for the fiscal year ended December 31, 2024. The Canadian Award for Financial Reporting program was established to encourage municipal governments throughout Canada to publish high-quality financial reports and to provide peer recognition and technical guidance for officials preparing these reports.

To be awarded a Canadian Award for Financial Reporting, a government unit must publish an easily readable and efficiently organized annual financial report, whose contents conform to program standards. Such reports should go beyond the minimum requirements of generally accepted accounting principles and demonstrate an effort to communicate the municipal government's financial picture, enhance an understanding of financial reporting by municipal governments, and address user needs.

A Canadian Award for Financial Reporting is valid for a period of one year only. We believe our current report continues to conform to the Canadian Award for Financial Reporting program requirements, and we are (will be) submitting it to GFOA to determine its eligibility for another award.

FINANCIAL MANAGEMENT PROCESSES

INTERNAL CONTROL MANAGEMENT

Management maintains a system of internal and administrative controls designed to provide reasonable assurance that transactions are appropriately authorized, assets are accounted for and safeguarded, and financial information is relevant and reliable.

EXTERNAL AUDIT

The role of the external auditor, KPMG LLP, is to present an independent opinion on the fair presentation of the Town's financial position and operating results, confirming that the statements are free from material misstatements. The auditor's responsibility is to advise management and the Finance Advisory Committee of any control or operational issues identified during the audit.

FINANCIAL STATEMENT PREPARATION

The Town's management is responsible for all information in the annual Financial Report. The financial statements and accompanying notes are prepared using reasonable limits of materiality and within the accounting principles and disclosure requirements of the CPA Canada PSAS.

BUDGET REVIEW COMMITTEE

The Budget Review Committee (previously Audit and Finance Committee) is comprised of all Council members and various Staff members. The Lord Mayor and Deputy Lord Mayor were appointed as the Chair and Vice Chair, respectively, by Council. The new term of Council transitioned from the Audit and Finance Committee in 2022 to include all of Council with the goal of creating process efficiencies and mitigating redundancies, while monitoring the entire accounting cycle, from budget guidance through to the finalization of the fiscal year via oversight of the external audit function.

2025 CONSOLIDATED FINANCIAL STATEMENT OVERVIEW

The Town's consolidated financial statements have been prepared in accordance with the *Municipal Act* and based on the reporting standards set by the CPA Canadian PSAB. There are four required schedules to form the consolidated financial statements:

- Statement of financial position
- Statement of operations
- Statement of change in net financial assets
- Statement of cash flows

Together, these consolidated financial statements provide information on the cost of Town activities, how they were financed, and the assets and liabilities of the Town. The information reflects the whole nature and extent of the Town's financial affairs, similar to a private sector financial statement presentation.

The following is a high-level overview of the 2025 financial results for the Town.

CONSOLIDATED STATEMENT OF FINANCIAL POSITION

The consolidated statement of financial position highlights four key indicators that, taken together, describe the financial position of the Town:

- 1. Cash resources
- 2. Net financial position is calculated as the difference between financial assets and financial liabilities
- 3. Non-financial assets that are normally employed for providing services such as tangible capital assets
- 4. Accumulated surplus

The Town continues to manage its day-to-day finances on a cash basis using fund accounting, but reports in accordance with PSAB. Fund balances are no longer reported in the consolidated financial statements and are replaced by an accumulated surplus. The accumulated surplus summarizes the Town’s consolidated equity, which identifies the financial position, including tangible capital assets and financial resources.

FINANCIAL ASSETS

Financial assets in 2025 were \$99.5 million (2024 - \$83.7 million), a \$15.8 million increase from the prior year. This increase is mostly attributed to an increase in Cash balances from operating revenues and Accounts/Taxes Receivables. Healthy decreases in Notes Receivables resulting from increased collections have contributed to a reduction of a larger net increase.

CONSOLIDATED STATEMENT OF FINANCIAL POSITION

LIABILITIES

Liabilities in 2025 were \$55.1 million (2024 - \$43.7 million), an increase of \$11.4 million. The increase is mainly associated with a significant change in Accounts Payable/Accrued Liabilities, Deferred Revenue, and Net-Long Term Liabilities. Accounts Payable/Accrued Liabilities represent payments owed to vendors and suppliers for goods and services received, along with certain expenses the Town has incurred but not yet paid (i.e. salaries and wages). Deferred revenue are payments received in advance for services or goods not yet delivered. In the Town’s case, a large portion comprises Development Charge Funds for growth- related infrastructure and services. Since there was a substantial increase from 2024 to 2025, less deferred revenue was recognized as revenue during 2025 relative to collections. Net-Long Term Liabilities largely reflect the debt (debentures) the Town holds. A modest increase represents that the Town has secured more debt than paid in 2025.

CONSOLIDATED STATEMENT OF FINANCIAL POSITION

NON-FINANCIAL ASSETS

The most significant component of non-financial assets is the Town’s investment in tangible capital assets. All Town assets at the end of 2025 are inventoried, valued, and recorded in an asset registry for accounting and reporting purposes. These assets are used to deliver Town residents, businesses, and visitors programs and services.

The net book value of tangible capital assets is \$207 million (2024 - \$207 million). Historical costs are \$328 million (2024 - \$322 million), and total accumulated amortization was \$121.5 million (2024 - \$114.8 million), implying that on average, 36.95% (2024 – 35.67%) of the estimated useful life of Town assets have been utilized in the delivery of services. Amortization can help estimate future capital spending requirements, understanding that asset replacement costs may be significantly higher than historical costs.

CONSOLIDATED STATEMENT OF FINANCIAL POSITION

ACCUMULATED SURPLUS

The Town’s accumulated surplus is composed of investments in tangible capital assets, reserve and reserve funds, and net equity in Niagara-on-the-Lake Energy Inc., which is offset by asset retirement obligations, unfunded and long-term liabilities.

CONSOLIDATED STATEMENT OF OPERATIONS

The Consolidated Statement of Operations reports the annual surplus from operations during the accounting period. The statement shows the cost of providing Town services, the revenue recognized in the period and the difference between them.

REVENUES

Revenues in 2025 were \$53.43 million (2024 - \$57.20 million), a decrease of \$3.77 million over the prior year. This decrease is due to lower revenues from investment income, the Town's equity ownership in Niagara-on-the-Lake Energy (wholly owned), and Federal and Provincial grant funding. These were offset slightly by increases primarily observed in taxation, user fees and charges, Federal and Provincial grant funding, deferred revenues, and other, which includes licenses, permits, rent, and financial income.

Taxation revenues, which account for property taxes and taxation from other governments, were \$19.71 million (2024 - \$18.3 million), an increase of \$1.4 million over the prior year. Assessment growth for the Town of Niagara-on-the-Lake was 1.22% over the prior year.

Town Council approved a 2025 total budget increase of 9.22%. Overall, including the Town, Niagara Region, the Province of Ontario (for education purposes), and the Niagara Health System, the typical residential property experienced a 1.87% increase on their property tax bill. The Town's Portion amounted to 1.56%, calculated for 2025.

Tax revenue breakdown by major tax category is 94% General Levy, 5% Special Levy: Storm, and 1% Niagara Health System, where 100% of the total tax revenue levied is related to Property Taxes.

CONSOLIDATED STATEMENT OF OPERATIONS

Historical Assessment Growth and Tax Levy Increase

Tax Revenue by Major Category
(in millions \$)

EXPENSES

Expenses in 2025 were \$49 million (2024 - \$45.6 million), an increase of \$3.4 million over the prior year. Transportation and Environmental Services functions saw the most significant increases (in dollars), primarily driven by salaries, contracted services, and operating materials and supplies, while only Health Services experienced a nominal decrease. The remaining functional areas experienced increased expenses across the board.

Expenses by Function
(in millions \$)

CONSOLIDATED STATEMENT OF CASH FLOWS

The consolidated statement of cash flows reports changes in cash resulting from operations and shows how the Town financed its activities during the year and met its cash requirements.

RESERVES AND RESERVE FUNDS OVERVIEW

Although reserves and reserve funds are not formally reported directly in the financial statements, they are critical to financial management. Reserves and reserve fund balances form part of the accumulated surplus. Refer to note #7 in the financial statements for more reserve and reserve fund information.

Council establishes reserves and reserve funds. These funds are set aside to fund capital projects and future obligations. They are drawn upon to finance specific initiatives designated by Council to minimize tax rate fluctuations due to unanticipated expenditures, revenue shortfalls, and ongoing programs.

Reserve and reserve fund balances at the end of 2025 totaled \$35.8 million (\$28.2 million in 2024), an increase of \$7.6 million from the prior year. The reserve and reserve fund totals do not include development charges or unspent government grants, as these amounts are recorded as deferred revenue on the Statement of Financial Position. Refer to note #4 in the financial statements for more deferred revenue information.

INDEPENDENT AUDITOR'S REPORT

To The Members of Council, Inhabitants and Ratepayers of
The Corporation of the Town of Niagara-on-the-Lake

Opinion

We have audited the financial statements of The Corporation of Niagara-on-the-Lake (the Town), which comprise:

- the consolidated statement of financial position as at December 31, 2025
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes and schedule to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Town as at December 31, 2025 and its consolidated results of operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “**Auditor’s Responsibilities for the Audit of the Financial Statements**” section of our auditor’s report.

We are independent of the Town in accordance with the ethical requirements that relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter – Supplementary Information

The supplementary information included in Schedule of Library Fund Activities does not form part of the financial statements. We have not audited or reviewed this supplementary information and, accordingly, we do not express an opinion, a review conclusion or any other form of assurance on this supplementary information.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represents the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for the purposes of the group audit. We remain solely responsible for our audit opinion.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

The Corporation of the Town of Niagara-on-the-Lake (the "Town") is a municipality in the Province of Ontario that provides municipal services such as fire, public works, planning, parks and recreation, library and other general government operations.

1. Significant accounting policies:

The consolidated financial statements of the Town are prepared by management in accordance with Canadian public sector accounting standards ("PSAS") as recommended by the Public Sector Accounting Board ("PSAB") of CPA Canada. Significant accounting policies adopted by the Town are as follows:

(a) Basis of consolidation:

(i) Consolidated entities:

These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of the Town's financial affairs and resources to the Town which are owned or controlled by the Town except for the Town's wholly owned government business enterprise, Niagara-on-the-Lake Energy Inc., which is accounted for on the modified equity basis of accounting as described below. These reporting entities and organizations include the Public Library Board. Interdepartmental and inter-organizational transactions and balances between these entities and organizations have been eliminated.

The investment in Niagara-on-the-Lake Energy Inc. ("NOTLEI") is accounted for on a modified equity basis, consistent with the accounting treatment for government business enterprises. Under the modified equity basis, NOTLEI's accounting principles are not adjusted to conform with those of the Town, and inter-organizational transactions and balances are not eliminated. The Town recognizes its equity interest in the annual income or loss of NOTLEI in its Consolidated Statement of Operations and Accumulated Surplus with a corresponding increase or decrease in its investment asset account. Any dividends that the Town may receive from NOTLEI are reflected as reductions in the investment account.

(ii) Partial-consolidated entities:

The Niagara District Airport Commission is operated with a joint local board and is proportionately consolidated. The Town's share is 6%.

(iii) Accounting for Region and School Board transactions:

The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards and the Regional Municipality of Niagara are not reflected in these consolidated financial statements.

(iv) Trust funds:

Trust funds and their related operations are not included in these consolidated financial statements.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

1. Significant accounting policies (continued):

(b) Basis of accounting:

The Town follows the accrual method of accounting for revenues and expenses. Revenues are recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

A statement of accumulated remeasurement gains/losses has not been presented as there are no items to report.

(c) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year, and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost. Cost includes all directly attributable expenditures in the acquisition, construction, development and/or betterment of the asset required to prepare the asset for its intended use.

Amortization is recorded to reflect the cost, net of anticipated residual value, associated with the use of the asset in providing government services on a straight-line basis over the estimated useful life of the asset. Work in progress assets are not amortized until the asset is available for productive use, at which time amortization commences. Gains and/or losses on the disposal of an asset are recorded on the Consolidated Statement of Operations and Accumulated Surplus in the year of disposal.

Tangible capital assets received as contributions are recorded at their fair market value at the date of receipt and are recognized as revenue. Similarly, transfer of assets to third parties are removed from tangible capital assets and recorded as an expense equal to the net book value of the asset as at the date of the transfer.

The historical cost of works of art or historical treasures have not been assigned to these assets nor disclosed on the consolidated financial statements.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

1. Significant accounting policies (continued):

(c) Non-financial assets (continued):

(i) Tangible capital assets (continued):

Asset Class	Useful Life (Years)
General Assets:	
Land improvements	5 to 60
Buildings and fixtures	5 to 50
Machinery and equipment	5 to 40
Vehicles	5 to 20
Information technology	2 to 15
Other	5 to 50
Infrastructure:	
Linear assets	10 to 80
Street lighting	7 to 60
Other	7 to 50

Interest on debt incurred during construction of related tangible capital assets is expensed in the Consolidated Statement of Operations and Accumulated Surplus in the year incurred.

(ii) Asset retirement obligation:

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

The liability for the removal of asbestos in several of the buildings owned by the Town has been recognized based on estimated future expenses on closure of the site and post-closure care. These estimates are based on a financial model. Inputs including structure type, square footage, and year built, in conjunction with specific rates to be applied to each facility based on this criteria. Adjustments are made annually as required (i.e. inflation, disposals, etc.).

(iii) Leased tangible capital assets:

Leases that transfer substantially all of the benefits and risks incidental to ownership are accounted for as tangible capital assets. The leased asset is recorded at the lower of the present value of the minimum lease payments and the fair value of the leased asset at the inception of the lease, with a corresponding lease obligation recognized as a long-term liability. Lease payments are allocated between principal and interest using the effective

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

1. Significant accounting policies (continued):

interest method. Leased tangible capital assets are amortized on the same basis as similar owned tangible capital assets over the lease term.

(iv) Inventories:

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

(d) Deferred revenue:

Deferred revenue represents licenses, permits, grants and other fees which have been collected, but for which the related services or inspections have yet to be performed. These amounts will be recognized as revenue in the fiscal year the services are performed.

(e) Government transfers:

Government transfers received are from federal and provincial governments. Transfers are recognized in the period in which the events giving rise to the transfers occur, providing the transfers are authorized, eligibility criteria are met, and reasonable estimates of the amounts can be made except when, and to the extent that, stipulations by the transferor give rise to an obligation that meet the definition of a liability. Government transfers that meet the definition of a liability are recognized as revenue as the liability is extinguished. Government transfers are paid to community organizations. Government transfers paid are recognized as a liability and expense when the transfer is authorized and all eligibility criteria have been met by the recipient.

(f) Tax revenue:

Taxes receivable and tax revenue are recognized when they meet the definition of an asset, the tax is authorized and the taxable event has occurred.

(g) Deferred revenue - obligatory reserve funds:

Deferred revenue - obligatory reserve funds represents development charge contributions, payments in lieu of parking and parkland and gas tax, levied or received under the authority of federal and provincial legislation. These amounts have been collected but the related services have yet to be performed. These amounts will be recognized as revenue in the fiscal year the services are performed.

(h) Investment income:

Investment income is reported as revenue in the period earned. When required by the funding government or provincial legislation, investment income earned on deferred revenue is added to the fund balance and forms part of the deferred revenue balance. The town held no investments at December 31, 2025 (2024 – nil)

(i) Other income:

Other income is recognized as revenue when the service is performed.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

1. Significant accounting policies (continued):

(j) Cash:

Cash includes GIC's which are readily convertible into cash. Interest is recognized on the accrual basis.

(k) Post-employment benefits:

- (i) The Town provides certain employee benefits which will require funding in future periods. These benefits include long-term disability, benefits under the Workplace Safety and Insurance Board ("WSIB") Act, and extended health and dental benefits for early retirees.

The costs of life insurance, benefits under WSIB, life insurance, and extended health and dental benefits are actuarially determined using management's best estimate of salary escalation, earned days accumulated for certain employees payable at retirement, health care cost trends, long term inflation rates and discount rates.

For self-insured retirement and other employee future benefits that vest or accumulate over the periods of service provided by employees, such as service payments and health and dental benefits for retirees, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average service life of the employee group. Any actuarial gains and losses related to the past service of employees are amortized over the expected average remaining service life of the employee group.

For those self-insured benefit obligations that arise from specific events that occur from time to time, such as obligations for workers' compensation and disability benefits for those on disability leave, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to these benefits are recognized immediately in the period they arise.

- (ii) The costs of multi-employer defined benefit pension plan benefits, such as the Ontario Municipal Employees Retirement System ("OMERS") pensions, are the employer's contributions due to the plan in the period. OMERS has been accounted for as a defined contribution plan since it is a multi-employer plan.

(l) Note receivable:

The note receivable is valued at cost. Recoverability is assessed annually and a valuation allowance is recorded when recoverability is impaired. The note receivable is written off when it is no longer recoverable. Recoveries of note receivable previously written off are recognized as revenue in the year received. Interest revenue is recognized as it is earned. Notes receivable with significant concessionary terms, (such as non-interest bearing notes) are accounted for as a grant and presented as an expense on the Consolidated Statement of Operations and Accumulated Surplus.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

1. Significant accounting policies (continued):

(m) Use of estimates:

The preparation of the financial statements in conformity with PSAS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimation provisions for accrued liabilities and in performing actuarial valuations of post-employment benefits liability and the valuation of contributed assets. Actual results could differ from those estimates.

2. Long-term investments:

The Town holds an investment in Niagara-on-the-Lake Energy Inc. ("NOTLEI") which is represented by 1,001 common shares of the company. NOTLEI is wholly owned by the Town. Summary financial information is as follows:

Financial Position:

	2025	2024

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

2. Long-term investments (continued):

Town of Niagara-on-the-Lake investment represented by:

	2025	2024
Investment in shares of the Corporation	\$ 7,054,844	\$ 7,054,844
Accumulated net income, net of dividends received	21,317,413	20,908,739
Total investment in Niagara-on-the-Lake Energy Inc.	\$ 28,372,257	\$ 27,963,583

NOTLEI delivered electricity to the Town and related organizations in the amount of \$895,439 (2024 - \$868,611) and provided locate services to the Town in the amount of \$202,117 (2024 - \$191,356).

3. Note receivable:

The notes receivable are comprised of the following:

	2025	2024
Note 1	\$ 825,327	\$ 910,359
Note 2	—	42,162
Note 3	—	209,464
Note 5	325,000	325,000
	\$ 1,150,327	\$ 1,486,985

Note 1 bears interest at 7.25%, is unsecured and is repayable annually in the aggregate principal and interest of \$250,000 (2024 - \$250,000). Notes 2 and 3 were collected during 2025. Note 5 bears interest at RBC prime less 2.20% and is open ended with a loan term of 5 years (2029) and option to renew if still outstanding thereafter.

4. Deferred revenue:

A requirement of PSAS is that obligatory reserve funds be reported as deferred revenue. These reserve funds are considered obligatory as Provincial legislation restricts how these funds may be used and, under certain circumstances, when these funds will be refunded.

In the case of development charges, revenue recognition occurs after the funds have been collected and when the Town has approved the eligible expenditures and used the funds for the capital project for which the development charges were raised. These funds have been set aside, as required by the Development Charges Act, to support the cost of growth related capital projects associated with new development.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

4. Deferred revenue (continued):

The deferred revenues are made up of the following:

	2024	Externally restricted inflows	Revenue earned	2025
Canada Community Building Fund	\$ 568,157	\$ 647,265	\$ 296,001	\$ 919,421
Cash-in-lieu of parking	353,331	—	—	353,331

Ontario Community Infrastructure Fund	878,296	1,926,287	447,256	2,357,327
Recreational land	2,343,808	1,846,328	—	4,190,136
Provincial Modernization Fund	63,392	—	—	63,392
Other deferred	191,007	214,996	161,076	244,927
	\$17,166,572	\$ 6,273,226	\$ 1,231,939	\$ 22,207,859

5. Post-employment benefits and other liabilities:

The Town provides certain employees benefits which will require funding in future periods. These benefits include sick leave, benefits under the Workplace Safety and Insurance ("WSIB") Act, and life insurance, extended health, and dental benefits to early retirees.

	2025	2024
Retiree benefits	\$ 490,629	\$ 522,847
Accrued vacation pay	494,614	481,840
Accumulated sick leave	62,382	55,810
Future payments required to WSIB	152,551	197,105
	\$ 1,200,176	\$ 1,257,602

Information about the Town's benefit plans is as follows:

	2025	2024
Accrued benefit obligation:		
Balance, beginning of year	\$ 1,284,194	\$ 1,266,540
Current benefit cost	4,059	74,218
Interest	26,107	27,355
Actuarial gain	—	9,678
Benefits paid	(86,009)	(93,596)
Balance, end of year	1,228,351	1,284,195
Unamortized actuarial loss	(28,175)	(26,593)
Liability for benefits	\$ 1,200,176	\$ 1,257,602

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

5. Post-employment benefits and other liabilities (continued):

Amortization of the actuarial gain of \$1,582 (2024 – actuarial loss of \$1,324) has been included in expenses on the Consolidated Statement of Operations and Accumulated Surplus.

(i) Accumulated Sick Leave:

Under the Town's sick leave benefit plan, employees can choose either to carry forward up to 5 unused days to the next year, have all unused credits paid out at the end of the year, or any combination of the two choices. Credits are paid out at 50%. The accrued benefit obligation and the expense for the year ended December 31, 2025 were determined by an actuarial review. The last actuarial valuation was performed in 2024 for the December 31, 2024 year-end.

(ii) Retiree Benefits:

The Town pays health care, dental, travel and life insurance benefits for early retirees to age 65. The Town recognizes these post-retirement costs in the period in which the employees rendered the services. The accrued benefit liability and the expense for the year ended December 31, 2025 were determined by an actuarial review and analysis of changes made to plans since the last valuation. The last actuarial valuation was performed in 2024 for the December 31, 2024 year-end.

(iii) Accrued WSIB:

The Town has elected to be treated as a Schedule 1 employer for the purposes of WSIB where a premium is paid to cover the Town's responsibilities under the Workplace Safety and Insurance Board Act ("WSIB").

(iv) Actuarial Assumptions:

The main actuarial assumptions used for the valuations are as follows:

Interest (discount rate):

The accrued benefit obligation was determined using a discount rate of 4.50% (2024 – 4.50%).

Inflation:

Inflation was assumed to be 2.0% (2024 – 2.0%).

Medical, dental and travel costs:

Medical and travel costs are assumed to increase at a rate of 5.6667% in 2025 over 2024, reducing by 0.3333% per year to 4.0% in 2030 and to 4.0% per year thereafter.

Dental care costs are assumed at 4.0% per year (set at CPI plus 2.0%)

Salary escalations:

Future salary has been assumed to escalate at a rate of 3.0% per year (2024 – 3.0%).

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

5. Post-employment benefits and other liabilities (continued):

(v) Pension Agreements

The Town makes contributions to the Ontario Municipal Employees Retirement Fund ("OMERS"), which is a multi-employer plan, on behalf of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to OMERS for 2025 was \$1,177,159 (2024 - \$1,048,285) for current service and is included as an expenditure in the consolidated statement of operations. Employees' contribution to OMERS in 2025 was \$1,177,159 (2024 - \$1,048,285).

Contributions for employees with a normal retirement age of 65 were being made at a rate of 9% for earnings up to the yearly maximum pensionable earnings of \$71,300 and at a rate of 14.6% for earnings greater than the yearly maximum pensionable earnings.

The OMERS pension plan has a deficit at December 31, 2025 of \$1.3 billion (2024 - \$2.9 billion) based on an actuarial valuation of plan assets. Increases in future contributions may be required to fund deficits in the plan.

6. Net long-term liabilities:

- (a) The balance of net long-term liabilities reported on the Consolidated Statement of Financial Position is made up of the following:

	2025	2024
The Town has assumed responsibility for the payment of principal and interest charges on certain long-term liabilities issued by other municipalities.	\$ 9,445,174	\$ 8,394,463
Lease liabilities arising from capitalized vehicle leases that meet obligation criteria	773,575	—
Of the long-term liabilities shown above, the responsibility for payment of principal and interest charges for tile drainage, have been assumed by individuals.	(31,470)	(36,752)
Net long-term liabilities, end of year	\$10,187,279	\$ 8,357,711

- (b) The long-term liabilities in (a) issued in the name of the municipality have been approved by by-law. The annual principal and interest payments required to service these liabilities are within the annual debt repayment limit prescribed by the Ministry of Municipal Affairs and Housing.

During 2025, the Town entered into vehicle lease agreements that met the criteria for capitalization under Public Sector Accounting Standards. Accordingly, the present value of future lease payments of \$822,713 was recognized as a lease liability upon commencement of the leases. During the year, principal repayments of \$49,138 reduced the outstanding lease liability to \$773,575 at December 31, 2025. Interest on lease liabilities is recognized as an expense over the term of each lease using the effective interest method.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

6. Net long-term liabilities (continued):

(c) Of the net long-term liabilities reported in (a) of this note, principal payments are as follows:

2026	\$ 660,375
2027	683,692
2028	705,982
2029	727,775
2030	750,095
Thereafter	5,885,785
	<u>\$ 9,413,704</u>

(d) Interest charges on long-term debt in the amount of \$324,477 (2024 - \$212,532) are included on the Consolidated Statement of Operations and Accumulated Surplus, classified under the appropriate functional expense heading. The long-term debt bears interest at rates ranging from 1.35% to 10.45% payable semi-annually. The long-term liabilities mature at various times up to 2045.

7. Accumulated surplus:

	2025	2024
Invested in tangible capital assets	\$ 207,247,288	\$ 207,158,139

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

8. Commitments:

(a) Capital expenditures

The estimated future capital expenditures based on projects in progress at December 31, 2025 is approximately \$13,293,597 (2024 - \$6,0009,001) after deducting the expenditures incurred as at December 31, 2025. These projects will be financed by grants, subsidies and long-term liabilities in future years.

(b) Niagara Health System

The Town is currently committed to funding \$3,500,000 of the local share of the construction costs of the Niagara Health System (“NHS”) hospital located in St. Catharines. The Town has approved a plan to fund this commitment through annual tax levies in the years 2011 to 2031. The plan is dependent upon future councils approving this levy on an annual basis. A balance of \$618,086 is owing on this commitment at December 31, 2025 (2024 - \$721,100).

9. Contingent liabilities:

From time to time, the Town is subject to claims and other lawsuits that arise in the ordinary course of business, some of which may seek damages in substantial amounts, including punitive or extraordinary damages. In respect of most outstanding claims, the Town believes that insurance coverage is adequate, and that no material exposure exists on the eventual outcome of such litigation, therefore no provision has been made in the accompanying financial statements.

10. Contributions to Joint Board:

The following contributions were made by the Town to:

	2025	2024
Niagara District Airport Commission	\$ 96,773	\$ 96,774

The Town’s share of the net assets of the Niagara District Airport Commission is approximately 6%.

11. Segmented reporting:

The Town is a lower tier municipal government that provides a wide range of services to its citizens. Segmented information has been identified based on functional classification as categorized by the Financial Information Return. These classifications are as follows:

(i) General Government:

The mandate of this functional area is to provide political governance, administrative executive management and those expenses and revenues which are corporate in nature and cannot be easily apportioned to other departments. Reported in this functional area are departments such as Council, Clerks, CAO, Finance, Human Resources, Legal, Information Systems and Capital Assets.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

11. Segmented reporting (continued):

(ii) Protection services:

Reported in this functional area are Fire and Building Services. The mandate of Fire Services is to provide emergency services through a range of services to protect the lives and property of the inhabitants of the Town. The mandate of Building Services is to inform and assist customers to ensure safe and orderly development and provide efficient delivery of building approvals, inspections, and management systems.

(iii) Transportation services:

Reported in this functional area are Roads and Works. The mandate for Roads and Works is to provide quality road and traffic maintenance and operations to the residents and businesses of the Town. This area is also responsible for winter control.

(iv) Environment services:

Reported in this functional area are Sanitary, Storm and Water Systems. The mandate is to provide a safe and reliable water resource system and is responsible for the maintenance and operation of the systems and monitoring and administering environmental programs.

(v) Health services:

Reported in this functional area is Cemetery Services. The mandate is to ensure the benefit and protection of each citizen who has purchased or has an interest in internment rights within each cemetery. Also included here is the Town's commitment to the Niagara Health System hospital.

(vi) Recreation:

Reported in the functional area are Parks, Recreation and Culture. The Parks department is responsible for the maintenance, improvement and beautification of various parks as well as the planning and construction of new parkland and open space. The Recreation and Culture departments are responsible for the delivery of various related programs and the provision of facilities as well as the support of groups and organizations throughout the Town.

(vii) Planning and Development:

Reported in this functional area are Planning and Development. Planning creates the policy framework and implementation tools required to shape the future of the Town. Development is responsible for ensuring that the Town's land development standards are achieved on all development applications.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Tax revenue is allocated to the segments based on budgeted expenditures. For grants received, the allocation is based on the purpose of the grant. For user fees and charges, the allocation is based on the nature of the user fee generated. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

11. Segmented reporting (continued):

Tax Revenue Breakdown -The Town levies four forms of taxation to fund various aspects of Operations as follows:

1. The **General Levy** is the Town's main revenue source in addition to user fees and represents the overall net budget (Total Expenses less Total Revenues) related to levy supported activities. This includes both operating and capital funding for Fire and Emergency Services, Roads Operations, Parks and Recreation Operations, Planning and Development Services, Library Services, and other General Administrative functions.
2. The Town's **Storm levy** is a special tax only directed towards Urban landowners who are the beneficiaries of the existing services.
3. The **Niagara Health System levy** is described in Note 8 summarized as the Town's local share of the construction costs associated with the Niagara Health System hospital in St. Catharine's.
4. The **Municipal Accommodation Tax ("MAT")** is a new tax the Town introduced in 2022 through by-law 5435-22 and has since been amended via by-law 5540-23 in 2023. The MAT is applicable to accommodation establishments purchased for a period of 28 consecutive days or less. Funds generated from the program will be placed into a special reserve to be used for tourism promotion, Town capital infrastructure and tourism initiatives. Criteria for use of funds have been developed through a MAT committee in 2024.

The Town recognized \$19,711,207 (2024 - \$18,340,860) in Property Tax revenue and \$3,917,360 (2024 - \$2,819,095) in Municipal Accommodation Tax revenue (recognized within "Other") in 2025 as follows:

Tax Levy	2025 Revenue	2024 Revenue
General	\$ 18,624,285	\$ 17,242,870
Storm	983,917	994,990
NHS	103,005	103,000
Sub-total property tax revenue	19,711,207	18,340,860
Municipal accommodation tax	3,917,360	2,819,095
Total Tax Revenues	\$ 23,628,567	\$ 21,159,955

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

12. Budget data:

The budget data presented in these consolidated financial statements are based upon the 2025 operating and capital budgets approved by Council on February 26th, 2025. The chart below reconciles the approved budget to the budget figures reported in these consolidated financial statements. Budgets established for tangible capital asset acquisitions are on a project-oriented basis, the costs of which may be carried out over one or more years. Where amounts were budgeted for on a project-oriented basis, the actual amounts for 2025 were used in order to adjust the budget numbers to reflect the same basis of accounting that was used to report the actual results. In addition, to ensure comparability of expenses, the allocation of program support costs completed for actual reporting was also applied to the budget amounts.

The chart below reconciles the approved budget figures reported on the Consolidated Statement of Operations and Accumulated Surplus.

	Budget Amount
Revenue:	
Operating budget as approved	\$ 55,243,257
Add:	
Development charges	327,606
Gain on sale of tangible capital assets	141,192
Less:	
Transfers from other funds	(5,303,436)
Principal and dividends from NOTLEI	(940,596)
Total revenue	49,468,023
Expenses:	
Operating budget as approved	55,243,257
Add:	
Amortization	7,234,062
Employee future benefits	(57,425)
Capital projects resulting in operating expenses	294,648
Less:	
Transfer to reserves, including capital	(12,949,591)
Debt principal payments	(751,506)
Total expenses	49,013,447
Annual surplus	\$ 454,576

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

13. Tangible capital assets:

(a) Work in progress:

Work in progress having a value of \$2,947,250 (2024 - \$3,731,275) is not depreciated. Depreciation of these assets commence when the assets are placed in service. No interest was capitalized during the period.

(b) Contributed capital assets:

Contributed capital assets are recognized at fair market value at the date of contribution. The value of contributed assets during the year is \$nil (2024 - \$nil).

(c) Tangible capital assets disclosed at nominal values:

Where an estimate of fair market value could not be made for a tangible capital asset, the asset was recognized at a nominal value. Nominal values totaling \$nil (2024 - \$nil) have been assigned to Buildings, Land, Machinery and Equipment, Land Improvements, and Linear Asset categories.

(d) Works of art and historical treasures:

No works of art or historical treasures are held by the Town.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2025

14. Asset Retirement Obligation (ARO):

The Town's Asset retirement obligation consists of asbestos obligations as follows:

The Town owns and operates several buildings that are either known to have or possibly have asbestos, which represents a health hazard upon demolition of the building and encompasses a legal obligation to remove it. Following the adoption of PS3280 – Asset retirement obligations, the Town recognized an obligation relating to the removal and post-removal care of the asbestos in these building. The Town uses financial models that includes inputs such as structure type, square footage, and year builds, in conjunction with specific rates to be applied in the calculation of related ARO's for each facility based on this criteria. The buildings had an estimated useful life of 50 years when they were purchased, with various number of years remaining depending on this date. Inflationary adjustments of \$51,925 have been captured as at December 31st, 2025 under "Adjustments to ARO", where \$29,712 was capitalized and \$22,213 was expensed in the Consolidated Statement of Operations and Accumulated Surplus as this portion relates to fully depreciated assets. The ARO balances are as follows:

Asset Retirement Obligation (Asbestos Removal)	Balance at December 31, 2025	Balance at December 31, 2024
Opening Balance	\$ 1,445,689	\$ 1,390,086
Adjustments to ARO - increase	51,925	55,603
Closing Balance	\$ 1,497,614	\$ 1,445,689

15. Government transfers:

Government transfers do not include payments in lieu of taxes received from Federal and Provincial governments. These amounts are included with taxation revenue on the Consolidated Statement of Operations and Accumulated Surplus:

	Budget	2025	2024
Operating transfers:			
Federal	\$ 9,500	\$ 15,878	\$ 28,427
Provincial	389,548	426,373	426,438
Upper-Tier/Other Municipalities	5,000	175,411	212,098
	404,048	617,662	666,963
Capital transfers:			
Federal	625,134	296,001	445,205
Provincial	1,873,931	447,256	1,810,295
	2,499,065	743,257	2,255,500
Total government transfers	\$ 2,903,113	\$ 1,360,919	\$ 2,922,463

Government transfers paid are included in the Consolidated Statement of Operations and Accumulated Surplus and are summarized in Note 11 - Segmented Information under External Transfers.

INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of The Corporation of The Town of Niagara-on-the-Lake

Opinion

We have audited the financial statements of the trust funds of The Corporation of the Town of Niagara-on-the-Lake (the "Entity"), which comprise:

- the statement of financial position as at December 31, 2025,
- the statement of operations and accumulated surplus for the year then ended,
- the statement of cash flows for the year then ended,
- and notes, including a summary of significant accounting policies and other explanatory information.

(Hereinafter referred to as the "financial statements")

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2025, and its results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion is based on the audit evidence obtained up to the date of our auditors report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE CORPORATION OF THE TOWN OF NIAGARA-ON-THE-LAKE

Notes to Trust Funds Financial Statements

Year ended December 31, 2025

1. Significant accounting policies:

The financial statements of The Corporation of the Town of Niagara-on-the-Lake trust funds are prepared by management in accordance with Canadian public sector accounting standards ("PSAS") established by the Public Sector Accounting Board ("PSAB") of CPA Canada.

(a) Basis of accounting:

- (i) Receipts and expenditures are reported on the accrual basis of accounting.
- (ii) The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay.

2. Due from/to Town of Niagara-on-the-Lake:

The amounts owing from and to The Corporation of the Town of Niagara-on-the-Lake are non-interest bearing with no fixed terms of repayment.
