2022-2027 STRATEGIC PLAN

Council's 2022-2027 Strategic Plan serves as a roadmap for success, guiding decision-making and investments throughout this term. It ensures that today's choices set the course for Niagara-on-the-Lake's desired future.

Strategic planning is the process of defining an organization's vision, mission, and priorities, along with actionable plans to achieve and evaluate its goals. The Strategic Plan, supported by the Implementation Plan and Indicators of Success document, provides a clear framework for the Town's initiatives and operational decisions. It aims to enhance community well-being by setting measurable goals and priorities.

Vision - Enriching and protecting our heritage, agriculture and natural beauty, while creating a resilient, vibrant and welcoming community for all.

Mission - To efficiently deliver a high standard of municipal services and dependable infrastructure to support the community and to take leadership in planning, decision-making and policy development to ensure a healthy and financially sustainable future.

TRACK PROGRESS ONLINE WITH OUR DASHBOARD

Stay updated on the Strategic Plan's progress through the Strategic Plan Dashboard, which provides key metrics and milestones for specific objectives and initiatives. As of August 2026, the Strategic Plan is 80% complete or on track, with Staff continuing to advance the remaining priorities through the balance of the term. The dashboard is updated bi-annually to provide insights to the public.

LEARN MORE ABOUT THE STRATEGIC PLAN

To learn more about the implementation of Council's Strategic Plan and view the dashboard, please visit the Town's website at **www.notl.com/strategic-plan** or **scan the QR code**.

MORE THAN PAVEMENT.

For over 60 years, Baretta Paving has quietly become part of Niagara's story.

Some legacies are written in history books. Baretta Paving's is written across Niagara.

Across family homes, luxury estates, commercial properties, golf courses, and landmark developments, every project is guided by the same commitment to craftsmanship, integrity, and lasting quality.

More than six decades later, we're proud to still be building that legacy—one driveway at a time.

- SINCE 1963. STILL PAVING IT RIGHT.
- 1000+ OF PAVING PROJECTS
- TRUSTED ACROSS NIAGARA.

COMMUNITY LEGACY

RiverBrink Art Museum

Renowned for its historic estate and exceptional art collection.

Baretta Paving was proud to complete the paving improvements at RiverBrink Art Museum, one of Niagara-on-the-Lake's most treasured cultural landmarks. Designed to complement the museum's historic setting, the finished paving reflects the same craftsmanship and attention to detail we bring to every residential, commercial, and community project throughout Niagara.

PUBLIC SERVICES

BY-LAW ENFORCEMENT

Municipal by-laws are enforced to regulate many areas of the community affecting health, safety and the enjoyment of property. The By-law Division's responsibilities include parking enforcement, Short Term Rental licensing and enforcement, private tree protection, property standards, and more listed on the Town's website. By-law Staff are committed to working with residents and the public to address concerns and make positive, continuous improvements that benefit the community.

Learn more about municipal by-laws at **www.notl.com/town-services/law-enforcement**.

CEMETERY SERVICES

Lakeshore Cemetery – 1483 Lakeshore Road, Niagara-on-the-Lake | 905-468-2747

All administrative functions and transactions of the cemetery are managed onsite. This includes transactions such as lot purchases, columbarium niche sales, headstones, markers, tree and bench dedications for the cemetery grounds, interments, cremation scatterings, and record and lot availability inquiries.

The Town has an online burial site and marker lookup tool, a mapping application designed to help users search for loved one's locations and burial plots within the Niagara Lakeshore Cemetery. Visit **www.notl.com/town-services/cemeteries** to access the map. Should you wish to book an appointment, have any questions, concerns, or require assistance, please contact David Voogt, Cemetery and Grounds Specialist, by email at david.voogt@notl.com or phone at 905-468-2747.

CLIMATE CHANGE

The Town is taking meaningful action to address climate change through initiatives that reduce greenhouse gas emissions, strengthen climate resilience, and protect natural assets.

Current initiatives include developing a Corporate Climate Local Action Plan (CCLAP) and a Community Energy and Emissions Plan to reduce emissions across municipal operations and the community. The Town is also managing invasive species through targeted phragmites removal, advancing the Four Mile Creek Subwatershed Study to address flooding and erosion risks, and completing a Natural Asset Inventory to support the long-term management of wetlands, forests, shorelines, and other natural features.

The Town is expanding the urban forest by identifying priority tree planting locations and selecting climate-appropriate species. In 2026, residents helped shape the Urban Forestry Management Plan through a community survey that received 127 responses.

Residents are encouraged to follow the Town's Community Events Calendar for upcoming climate-related activities and opportunities.

NIAGARA DISTRICT AIRPORT

Niagara District Airport moves redevelopment plans forward

Niagara District Airport's (YCM) Master Plan presents a vision to grow the facility into a modern regional gateway with scheduled commercial service to and from Niagara.

In July, the Airport received nearly $10 million in funding from the Government of Ontario to support moving the Master Plan forward. Advancing the Master Plan will help support local businesses, create good-paying jobs, and drive economic growth across the region.

What will the funding be used for?

The funding will help advance the planning and design work for infrastructure improvements including roadway improvements, a runway extension, a parallel taxiway, a Combined Services Building, and a new Air Terminal Building.

This funding will also support soil and site surveys, environmental and regulatory requirements, and other technical work.

How to stay informed

Niagara District Airport is committed to keeping residents, businesses and regional partners informed and involved throughout the planning and design process. Public input will continue to play an important role in shaping the Airport's future by ensuring community perspectives are heard.

Additional public information sessions will be held, giving residents an opportunity to learn more about the redevelopment project as well as other airport updates, including the Air Canada motorcoach service.

Residents can stay informed by subscribing to the Airport's newsletter using the sign-up form at the bottom of the homepage. For timely updates, residents are also encouraged to follow the Airport on social media. To learn more about the Airport's redevelopment project, visit the Airport's website.

Our Airport. Our Niagara. Our Future.

Niagara to Pearson — Seamlessly

Book your trip from YCM to your final destination and enjoy a stress-free ride to Toronto Pearson with the Air Canada motorcoach — all included in one reservation at no extra cost. Plus, park for free at YCM, making it even easier to start your next adventure right here from home.

PUBLIC SERVICES

DEVELOPMENT PLANNING

What is planning?

Land use planning helps shape the future of our community. It guides how land is used and developed to create a safe, healthy, and welcoming place to live, work, and visit. Planning also helps balance growth while protecting the natural, cultural, and historic features that make Niagara-on-the-Lake unique.

Planning Services includes development planning, policy planning, and heritage planning, which work together to guide growth, update planning policies, and protect the Town's unique character.

How are planning decisions made?

Planning in Ontario is guided by provincial legislation, including the *Planning Act* and the Provincial Planning Statement, as well as the Greenbelt Plan and Niagara Escarpment Plan, which also apply in Niagara-on-the-Lake. The Town prepares and implements the Official Plan, Zoning By-law, and other planning policies to guide growth while meeting provincial requirements and supporting the community's long-term vision.

Planning Services reviews development applications, including Official Plan and Zoning By-law Amendments, Site Plan Control, Plans of Subdivision, and Consent and Minor Variance applications. Decisions are made by Town Council or the Committee of Adjustment, depending on the application.

Policy Planning leads long-range planning initiatives, including Official Plan updates and growth studies, while Heritage Planning protects the Town's cultural heritage resources by reviewing applications, supporting designations, developing policies, and working with the Municipal Heritage Committee to provide recommendations to Council.

How can community members get involved?

Community input is an important part of the planning process. The Town encourages residents, property owners, businesses, and visitors to learn about planning proposals and share their feedback. Public comments are considered as part of the review of planning applications, policy initiatives, and heritage matters before decisions are made.

Community members can get involved by attending Open Houses and Public Meetings to learn more about planning proposals and projects, speaking at Public or Committee meetings where applicable, submitting written comments for Council and Staff to consider, and participating in community engagement opportunities for planning policy and heritage initiatives.

LEARN MORE

Discover everything about Positive Aging at The Shaw!

Emerging research – and the lived experience of older adults themselves – points to a powerful truth: the later chapters of life are not defined by limitation or preservation, but by possibility.

Join us at The Shaw for a wide variety of Positive Aging programming this fall.

Improv for Nimble Minds

Fall Sessions: Sept 30 | Oct 7, 14, 21

Improve your cognitive agility and stay present in the moment with this fun and engaging class. Participants will explore the art of improvisational theatre and strengthen their brains. **$10 per class.**

Zest, Zing & Oomph! A Scene Study

Sept 30 | Oct 7, 14, 21, 28 | Nov 4, 11, 18

The scene study experience offers a wonderful opportunity to stay mentally active, connect with others and express oneself, fostering joy, creativity and a sense of fulfilment on the stage and in this stage of life. The workshop will culminate in an invited presentation on November 18. **$160.**

How Do You Learn All Those Lines?

Session 1: Oct 1, 8, 15, 22 | Session 2: Nov 5, 12, 19, 26

Memorization is a healthy way to exercise your brain. Each session takes you through the techniques that actors at The Shaw use in their daily practice to prepare. Perfect for theatre lovers and anyone who is aiming to support their cognitive health. **$40 per session.**

Confi-Dance!

Oct 2, 9, 16, 23 | Nov 6, 13, 20, 27

This progressive four-week session is a playful intro to the basics of different dance forms that you have seen on the Festival stage. Build physical strength and improve your balance through technique and even a bit of choreography! **$10 per class.**

Age-Friendly Nature Walk – Older Adults

October 10

Healthy for the mind and the body! Led by conservationist Owen Bjorgan, this immersive walk invites participants to explore the beauty of Paradise Grove's historic oak canopy and the Niagara River. **$10.**

Age-Friendly Nature Walk – Intergenerational

October 17

A special opportunity for older adults to bring young adventurers on an expedition through Paradise Grove, led by conservationist Owen Bjorgan. Adventurers will be provided with a magnifying glass and scavenger hunt to spark curiosity and connection across generations. **$10.**

Plus, so much more. To discover more about Positive Aging experiences, dates and prices call Box Office at 1-800-511-7429, visit shawfest.com/positiveaging/ or scan the QR code.

ECONOMIC DEVELOPMENT

The Town of Niagara-on-the-Lake supports the growth and vitality of its local business community by promoting a strong, resilient, and diversified economy. Strategically located with access to major transportation corridors, international markets, and a thriving tourism sector, Niagara-on-the-Lake offers a unique environment for economic success. The local economy is shaped by a rich cultural heritage, a strong agricultural base, and a dynamic mix of small businesses and tourism-driven enterprises.

The Town provides a range of services to support economic development, including assistance for local business growth, investment attraction and expansion, industry partnership development, and advocacy for strategic initiatives. These efforts contribute to making Niagara-on-the-Lake a premier destination for both business and leisure, and a hub of innovation, prosperity, and community spirit.

Rotary
Club of Niagara-on-the-Lake

Rotary is where neighbours, friends, & problem-solvers share ideas, join leaders, & take action to create lasting change. Through Rotary clubs, people from all continents & cultures form friendships & professional connections while making a difference in their backyards & around the world. Our members pour their passion into completing projects that have a lasting impact.

Club social events & volunteer projects offer networking opportunities that build personal & professional connections. Rotarians can extend those networks by visiting other clubs around the globe.

Our club has been involved in numerous local & international projects: from eradicating polio; providing shelter, clean water & food; to improving medical facilities & more. Projects address priority needs identified by the communities they serve, to help people to help themselves, using environmentally sustainable practices.

Find out more at:
niagaraonthelakerotary.ca | info@niagaraonthelakerotary.ca

FIRE & EMERGENCY SERVICES

Niagara-on-the-Lake Fire & Emergency Services is dedicated to protecting the community through emergency response, fire prevention, public education, emergency management, code enforcement, and ongoing firefighter training. Operating from five fire stations, the department includes 110 Volunteer Firefighters, 10 Volunteer Public Educators, and seven full-time Staff who work together to deliver professional, community-focused service. Each year, the Department responds to more than 725 emergency incidents and completes approximately 9,500 hours of training to ensure personnel are prepared to serve the community.

GREEN LIGHT AWARENESS

See a green light? Move to the right!

Volunteer firefighters use green lights in their personal vehicles when responding to their fire stations. If you see a green light, safely yield to the right to help firefighters reach the station and respond to emergencies as quickly as possible.

SMOKE & CARBON MONOXIDE ALARMS EXPIRE

Smoke alarms and carbon monoxide alarms don't last forever. Most smoke alarms expire after 10 years, while stand-alone carbon monoxide alarms typically last five to seven years, depending on the manufacturer. Check the manufacture or expiry date on your alarms and replace any that have expired. A working alarm can save your life.

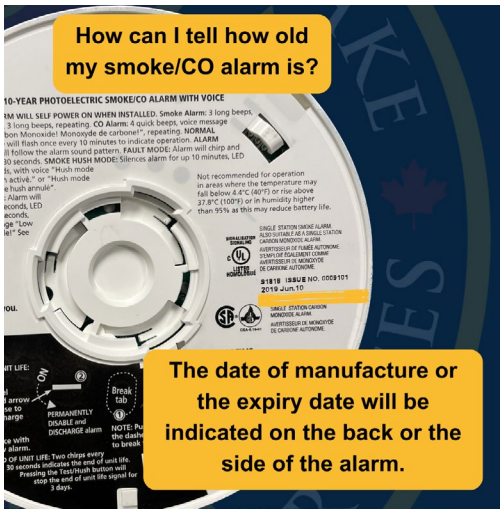
SMOKE & CARBON MONOXIDE ALARM MAINTENANCE

Ontario law requires working smoke and carbon monoxide alarms on every level of your home and outside sleeping areas.

As of January 1, 2026, carbon monoxide alarms are now legally required on every level of your home outside sleeping areas.

Have a look at the tips below to make sure your home is protected:

- Replace expired alarms.
- Test alarms monthly.
- Replace batteries at least twice a year, including hardwired backup batteries.
- Vacuum alarms periodically to remove dust.
- Learn what your alarms sound like so you can respond quickly.



Taking these precautions can make a significant difference in you and your loved ones safety. If you are unable to check and test your alarms yourself, please visit **www.notl.com/alarm-assistance-program** to learn about the Town's Alarm Assistance Program.

@notlfiredept **@NOTLfire** **@NOTLfiredept**

FIRE & EMERGENCY SERVICES

FURNACE SAFETY

As the temperature drops, it's just about time to start our home furnaces back up for the season. Natural gas-powered furnaces are the most common type of home furnace, which can come with some safety risks if they are not maintained properly.

Please keep these tips in mind when turning your heat on this season:

- Schedule an annual inspection and tune-up by a licensed technician.
- Change the air filter regularly.
- Keep combustible materials away from the furnace.
- Ensure you have a working carbon monoxide alarm.

FIREPLACE & SPACE HEATER SAFETY

Wood-burning chimneys should be inspected and cleaned annually, with gas fireplaces inspected each year. All chimneys, fireplaces, and space heaters should be turned off when leaving the room, kept away from combustible materials, and operated in accordance with the manufacturer's instructions.

LITHIUM-ION BATTERY SAFETY

Lithium-ion battery fires are on the rise worldwide due to the increased use of batteries in everyday devices like phones, tablets, laptops, headphones, toys, and power or lawn equipment. If damaged or improperly used, these batteries can overheat, catch fire, or even explode. Knowing which devices in your home contain lithium-ion batteries and ensuring they have proper safety certifications is essential, as some products sold in stores or online may not meet safety standards, increasing fire risk.

When charging a device, it is important to ensure:

- Always use the cables that came with the product to charge it and follow the instructions from the manufacturer.
- If you need a new charger, buy one from the manufacturer or one that the manufacturer has approved.
- Charge your device on a hard surface. Don't charge it under a pillow, on a bed, or on a couch, as this could cause a fire.
- Don't overcharge your device. Unplug it or remove the battery when it's fully charged.

Recycling Batteries

- Don't throw lithium-ion batteries in the trash or regular recycling bins because they could catch fire.
- Recycling your device or battery at a safe battery recycling location is the best way to dispose of them.
- Visit **www.call2recycle.org** to find a recycling spot near you.

COMMUNITY RISK REDUCTION

For more information and fire prevention resources, please visit the NOTL Fire & Emergency Services Community Risk Reduction webpage at **www.notl.com/community-risk-reduction** or **scan the QR code**.

Meals on Wheels is a non-profit, volunteer-based program that delivers nutritious hot and frozen meals to residents on weekdays. Meals are prepared under the direction of a qualified dietitian and are available for $8.50 to $12.50.

PUBLIC SERVICES

HERITAGE PLANNING

Niagara-on-the-Lake's rich cultural heritage is central to the community's identity. Through the Heritage Permit process, the Town reviews proposed alterations to designated heritage properties to help conserve their heritage value while supporting their continued use.

The Town's Municipal Heritage Register includes more than 430 designated and listed heritage properties. In 2023, the Town launched its Priority Heritage Designation Program, identifying 67 listed properties for designation under the *Ontario Heritage Act*. These properties continue to be evaluated to help preserve Niagara-on-the-Lake's most significant heritage resources.

INSURING YOUR HERITAGE PROPERTY

Heritage designation does not, on its own, increase insurance premiums. According to the Insurance Bureau of Canada and the Province of Ontario, premiums are generally based on factors such as a property's age, condition, replacement cost, claims history, and location.

Heritage Planning staff can provide information, resources, and letters explaining the Town's heritage requirements to insurance providers, where appropriate.

HOMEOWNER INCENTIVES

Heritage Property Tax Relief Program - Beginning in January 2027, eligible designated heritage properties may qualify for a municipal property tax reduction of up to 40%, to a maximum of $2,000 annually. Funding is limited and applications will be considered on a first-come, first-served basis.

Heritage Grant Program - Eligible owners of designated heritage properties may apply for matching grants of up to $7,500 annually for approved exterior restoration and structural conservation projects, subject to program eligibility and available funding.

These programs help support the long-term preservation of Niagara-on-the-Lake's historic buildings while assisting property owners with conservation work.

QUEEN-PICTON (OLD TOWN) HERITAGE CONSERVATION DISTRICT STUDY

This Council-led initiative supports the preservation of Old Town's historic character through research, public engagement, and expert guidance.

On March 24, 2026, Council adopted the Old Town Heritage Conservation District Plan under the Ontario Heritage Act. The Plan identifies contributing and non-contributing properties and establishes policies and objectives to help conserve the area's unique heritage for future generations.

Newark Neighbours Food Bank & Thrift Shop

Newark Neighbours operates the only Food Bank serving Niagara on the Lake, including the communities of Old Town, Virgil, St. Davids, Queenston and Glendale.

Our services rely entirely upon community generosity, comprising primarily: our volunteers, food and monetary donations, and donations of goods for resale in our Virgil Thrift Store.

All donations and revenue from the Thrift Store, after operating expenses, are utilized to provide registered Food Bank Clients with a healthy selection of non-perishable groceries every two weeks, and provisions for three primary annual celebratory holidays. Newark Neighbors receives no financial support from any level of government.

Run and operated solely by a volunteer workforce, and supported by a giving community, Newark Neighbours is a charitable operation in the truest sense.

PUBLIC SERVICES

LICENCES & PERMITS

BUILDING

The Town's Building Services Division helps keep the community safe by ensuring construction projects comply with the Ontario Building Code and applicable regulations. Inspectors work with homeowners, builders, and designers through plan reviews and key inspections to ensure buildings are safe, durable, and fit for their intended use across Niagara-on-the-Lake.

Scan the QR code to view our **Building Service Brochure!**

SCAN

Why Building Inspections Matter

Building inspections help ensure homes and buildings are constructed and renovated safely, supporting long-lasting spaces for residents and visitors while helping protect the character of our town.

When a Building Permit is Required

A building permit is required for many types of construction and renovation projects, including but not limited to:

- Construction of buildings greater than 10 square metres
- Decks more than 600 millimetres above grade
- Sheds greater than 15 square metres
- Demolition of existing structures
- Additions to existing buildings
- Interior renovations involving structural changes and/or plumbing modifications
- Finished basements
- Basement damp-proofing
- Changes in the use of a building (including the creation of secondary dwelling units)
- Replacement of water, storm, or sanitary sewer lines

Obtaining a permit before starting work helps ensure your project meets safety standards and avoids potential delays or costly corrections.

Applying for a Building Permit

Building permit applications can be submitted online through Cloudpermit at **www.ca.cloudpermit.com/login**.

LEARN MORE

Call Building Services at 905-468-3266, **scan the QR code** or visit **www.notl.com/building-services** for more information.

SCAN

DOGS

We love our furry friends in Niagara-on-the-Lake!

Niagara-on-the-Lake dog owners are required to register and vaccinate their dogs against rabies. Dog licenses are valid for a full 365 days after the date of purchase. Residents must obtain a current year's license within 14 days of acquiring or moving a dog into Niagara-on-the-Lake. Registration includes a unique license tag, which serves as an official license and offers the HomeSafe™ 24/7 lost pet service. Dog owners can purchase a license online at **www.notl.docupet.com**.

PUBLIC SERVICES

HERITAGE

A Heritage Permit is required when the owner of a designated property wants to alter the exterior of a building designated under Part V or the designated portions of a building designated under Part IV of the *Ontario Heritage Act*. For more information regarding the Town's heritage resources, contact the Town's Heritage Team at **heritage@notl.com** or visit **www.notl.com/heritage-planning**.

PLANNING TO DIG?

Building a fence, putting in a pool, planting a tree, or completing any other small digging project? Request a locate from Ontario One Call if you plan to dig in your yard. It is important to contact Ontario One Call so you can dig safely. Please visit **www.ontarioonecall.ca** or call 1-800-400-2255 before you dig.

SHORT TERM RENTAL

In the Town of Niagara-on-the-Lake, a license is required to operate a Short Term Rental including a Bed & Breakfast, Cottage Rental, Country Inn, Villa or Vacation Apartment. A renewal application must be submitted every four years to maintain an active license, which includes a re-inspection of the Short Term Rental. This ensures that the Short Term Rental continues to meet the safety standards set forth by the Ontario Fire Code and the Town of Niagara-on-the-Lake By-laws.

The Town's By-law Enforcement Officers work in partnership with the Short Term Rental compliance program, Granicus, to provide support to the community. Residents can use an online reporting system to submit concerns regarding Short Term Rentals. They can also contact Granicus and speak to a Host Compliance Operator, available 24 hours a day, seven days a week, by calling 289-210-7226. Please visit **www.notl.com/short-term-rentals** for further information.

SPECIAL EVENTS

Special events are hosted throughout the year in Niagara-on-the-Lake by a variety of organizations, bringing the community together and offering something for everyone to enjoy. These events create opportunities to connect, participate, and experience Niagara-on-the-Lake in new ways.

To learn when a Special Event Permit is required and to view associated fees, please visit **www.notl.com/recreation-events/special-events**. For additional information, contact **specialevents@notl.com**.

TREES

Property owners are required to apply for a Tree Removal Permit before removing any tree with a trunk measuring 12.5 cm or larger in diameter. Information regarding the requirements and the permit process can be found on the Town's website or by contacting the By-law Enforcement Officer – Urban Forestry, at 905-468-3266. The private tree removal application form can be completed and submitted online at **www.notl.com/form/private-tree-removal-application**.

PUBLIC SERVICES

PARKING

PARKING IN NIAGARA-ON-THE-LAKE

Planning a visit to the picturesque and historic Heritage District of Niagara-on-the-Lake? While parking is free at Town facilities and most areas outside the Heritage District, paid parking is in effect within the Heritage District. Be sure to check signage for locations, rates, and regulations to ensure a smooth visit. The Town offers convenient parking payment options. Payment can be made online through HONK Mobile or ParkedIn, or use one of the payment machines located in the Heritage District.

PAY FOR PARKING

PAY AT A MACHINE

Visit the nearest parking machine to pay for parking using coin, cash or debit.

PAY ONLINE

Pay using the HonkMobile or ParkedIn app.

HONK Pay using the **HonkMobile App**.

Parkedin Pay using the **ParkedIn App**.

RESIDENT PARKING PERMITS

The Town offers two resident parking permits:

Resident Parking Permit (Old Town): Available to all Niagara-on-the-Lake residents. Provides up to three hours of free parking at any paid parking area throughout the Town and costs $40.00 per vehicle per year.

Niagara-on-the-Green Resident Parking Permit: Available to eligible Niagara-on-the-Green households. Allows weekday parking (September 1 to April 30, 8:00 a.m. to 5:00 p.m.) on designated streets where parking is otherwise restricted and costs $35.00 per household per year.

Both permits are valid from January 1 to December 31. Learn more or apply at www.notl.com/town-services/parking or visit Town Hall (1593 Four Mile Creek Road, Virgil). Valid identification is required.

ACCESSIBLE PARKING

Accessible parking spaces are located throughout Town on the street and in municipal parking lots. All vehicles parking in an accessible space must display a valid Accessible Parking Permit on their dashboard and are not required to pay for parking. The fine for parking in an accessible space without a valid permit displayed is $400.00.

PARKING REMINDERS

- Please do not block driveways or sidewalks.
- Pay close attention to posted parking signs.
- Parking your vehicle within 10 metres of an intersection or 3 meters of a fire hydrant is not allowed.
- You may not park in one spot for longer than 12 hours at one time.
- Always park your vehicle in the same direction as the flow of traffic.

Scan the QR code or visit **www.notl.com/town-services/parking** for more information about parking in Niagara-on-the-Lake.

SCAN

PUBLIC SERVICES

PROPERTY TAX

Property taxes in Niagara-on-the-Lake fund essential services like road maintenance, parks, fire and emergency services, community programs, and more.

The Town issues tax bills twice a year: the Interim Tax Bill in February and the Final Tax Bill in July, each payable in two installments. Payment options include pre-authorized payments, online banking, credit card payments (via Paymentus, with fees), and in-person at Town Hall (1593 Four Mile Creek Road) or by mail. Residents can also sign up for e-billing (eSend) for digital statements.

Scan the QR code or visit **www.notl.com/council-government/property-taxes** for more information about property taxes in Niagara-on-the-Lake.

PUBLIC SERVICES

TRANSIT

Microtransit is an on-demand, shared-ride transit service operated by Niagara Transit. It provides flexible transportation to and from locations within the Niagara-on-the-Lake community, helping connect residents to areas not served by fixed bus routes.

Microtransit offers curb-to-curb service within Niagara-on-the-Lake, meaning riders are picked up and dropped off close to their requested locations.

If you are travelling outside Niagara-on-the-Lake, Microtransit can connect you to the broader Niagara Transit system for transportation.

Plan your trip, pay online, and book a ride using the Niagara Transit Plus (NTPlus) app.

Visit the Niagara Region Transit website at **www.nrtransit.ca** for more information or call 1-833-678-5463.

WATER & WASTEWATER

The Town is proud to have a dedicated Water Division who is responsible for maintaining over 202 km of water mains, 1,383 valves, and 21 sampling stations across all five villages.

This year, Town Staff will once again be carrying out several preventative maintenance projects to ensure the continued safety and reliability of the Town's water and wastewater systems.

Planned work includes routine maintenance of all Town-owned fire hydrants, distribution water main valves, and inspections and maintenance of privately owned fire hydrants. Staff will also be installing automatic flushers in select areas of Town where additional water turnover is required to maintain optimal chlorine residual levels.

In addition, the water distribution system will be flushed throughout Town. These measures help provide fresh, high-quality drinking water to residents. The sanitary sewer system will also be flushed to remove buildup, reduce the risk of blockages, and help minimize odours.

Have comments, questions, or concerns regarding drinking water or wastewater services? Call the Town at 905-468-3266.

DONATE TO A TOWN INITIATIVE

Niagara-on-the-Lake is known for many wonderful things, and the generosity of its residents is certainly one of them! A big thank you to everyone who contributed to our various fundraising initiatives in the past. The Town warmly welcomes continued donations for current fundraising opportunities.

SCAN

Scan the QR code to make a donation. When making a donation, tax receipts will be issued for donations above $25. Donations can also be made online at **www.notl.com/recreation-events/community-initiatives-events** or in person at Town Hall (1593 Four Mile Creek Road, Virgil) via cash, debit or cheque (payable to the Town of Niagara-on-the-Lake).

Thank you for making a positive impact on our community!

WINTER CONTROL

Did you know?

Municipal roads in Niagara-on-the-Lake make up a total of **255.95 kilometres**. Just two passes with the snow plow is the equivalent of driving from Niagara-on-the-Lake to Sudbury!

Sidewalks

The Town of Niagara-on-the-Lake is responsible for clearing snow from a total of **78.16 kilometres** of municipal sidewalks. Sidewalks are plowed after the storm has subsided, roads have been plowed, and a minimum of 75 mm (3 inches) of snow has fallen at one time.

Parking

Please refrain from parking on the street before, during or after a winter storm event to allow for proper plow truck operations. Parking tickets may be issued to vehicles in contravention of By-law 4308-09.

It's important to watch out for our slow plows when their lights are flashing and they are spreading out materials.

Did you know?

"Why not keep the plow down at all times?" If you see a snow plow with its plow up on a road that hasn't been cleared, remember each truck is assigned to a specific route. The truck may be traveling to the beginning of a route to begin a sanding operation that is completed before plowing.

Keep Track!

Check out our online **Plow Tracker** to stay up-to-date on winter control initiatives in Niagara-on-the-Lake. View the Plow Tracker online at **www.notl.com**.

Snow Placement

Kindly pile all snow from your driveway and walkways on your property, not the road. When clearing your driveway, pile snow on the right side if you are facing the street. This will help reduce the snow pushed back into your driveway by a snow plow.

Reminder:

In an **emergency** situation, you should always call **911** to access emergency services. If snow or ice is blocking access for emergency vehicles, emergency services will coordinate directly with the Town to clear the route or find the fastest alternative way to reach you.

RECREATION & COMMUNITY PROGRAMS

COMMUNITY GUIDE PROGRAM LISTINGS

This section highlights a wide range of recreation and community programs offered throughout Niagara-on-the-Lake. Thank you to the organizations, groups, and individuals who contributed to this Community Guide by sharing their programs, and to everyone who works year-round to deliver meaningful programming in our community.

Please note that not all programs offered in Niagara-on-the-Lake are listed here. Program offerings may change throughout the year, and additional opportunities may be available beyond this guide.

Organizations or individuals interested in listing a program or event in a future Community Guide are encouraged to visit **www.notl.com/community-guide** and complete the Community Guide Submission Form.

DANCE & MUSIC

ADULT BALLET

Contact: Jena Slingerland | 905-401-0711
trainingbyjena@gmail.com
