Committee of Adjustment Application Deadline and Hearing Schedule 2027

The hearing date for your application will be confirmed only after the Secretary-Treasurer has received all required documents and information to support your application (i.e., the application has been deemed "complete").

A complete application includes all required forms, fees, plans, reports, drawings or sketches listed on the pre-consultation form, and any other information that may be required under the *Planning Act, R.S.O. 1990, c.P.13*, as amended.

The Town encourages all applicants to take part in the pre-consultation process. Pre-consultation meetings provide an opportunity to discuss your proposal with Town Staff before submitting your application. Early consultation sets clear expectations for a complete application, improves submission quality, and builds a collaborative working relationship between applicants and the Town.

Submission deadlines have been established to provide the Secretary-Treasurer adequate time to meet Provincial notice requirements.
